Are you interested in becoming a volunteer?

If you are 18 or over, can spare two or more hours a week and have an interest in supporting young people in Jersey we would love to hear from you. A good volunteer is someone who can talk and listen with young people and is willing to learn what youth work is about.

What's in it for you?

Achievement...

knowing you have made a difference to the life of a young person/people.

Personal development...

the Youth Service provides a variety of training courses to support their volunteers so that they learn new skills, improve their knowledge and have confidence in face to face work with young people.

Career opportunities...

once you have worked as a volunteer for six months you will be eligible to apply for paid Sessional Youth Worker posts.

Some information about Jersey Youth Service

Jersey Youth Service provides a variety of different opportunities for young people aged between 12 and 25 years.

It also works in partnership with a range of other agencies and voluntary organisations.

Every Youth Project on the Island relies heavily on support from volunteers - without them the Youth Projects would not be able to operate!

“Without support from volunteers we could not provide the range of opportunities for young people in Jersey”

What our volunteers say about the Youth Service...

“Volunteering in youth work gives me a deep sense of belonging and fulfilment.”

“The Youth Service has helped me open up new avenues of interest as well as providing me with great training opportunities - Child Protection, First Aid, Minibus, Drugs and Alcohol, Introduction to Youth Work, Understanding Autism, plus many more.”

“The best thing I have achieved in Youth Work is building relationships with the young people and making some fantastic friends with other workers. Getting the opportunity to stay out at St Aubin's Fort and Crabbé and to go sailing and attempting abseiling, I thought I never had enough courage to go through with it.”

“I get so much satisfaction from the fact that I could make a big difference to a young person's life just by being there for them, being their friend.”
