Use of the water supply (please be as specific as possible)	Estimated maximum quantity (m ³ /day) <u>or</u> (gallons/day)

4. Application declaration and consent

Important information:

Before signing this form please read the following consent information carefully. It explains how the personal data will be used and provides a brief description of your rights under Jersey's Data Protection Law. For further information on how Infrastructure, Housing and Environment handles information please visit <http://www.gov.je/howweuseyourinfo>

Consent of all parties named in this form:

I declare that this application is made with my authority and I am aware that it's an offence to submit false or misleading information with an application.

I am aware and agree to the information supplied in this form, together with any other accompanying information, to be used for the purpose of processing my application to transfer, amend or revoke this registration for a water abstraction in accordance with the Water Resources (Jersey) Law 2007.

I am aware that there is provision within the Water Resources (Jersey) Law 2007 for the Minister to make available for public inspection information relating to the registration of abstractions. As such data relating to my registration may be shared with the public or any organisation upon request.

I am aware and agree that some of the information supplied in this form, together with any other accompanying information:

- Will be used to advise of a pollution incident in proximity to my own water supply
- May be used to create statistical information about how the Islands' water resources are used and how much water is being abstracted
- Will be put on the farm risk map (borehole/well location only), which is a map layer that is publically accessible through gov.je to inform the agricultural sector of risks to water sources when applying fertilisers and pesticides on their land
- Will be taken into account when assessing a licenced abstraction near your water source
- Will be shared with third parties who undertake legal searches or request generic information on the location of water sources in relation to their own development/site

4.1 Current Registration Holder or their Agent declaration: (if the current registration holder is not able to sign, an authorised agent such as an Attorney may complete this section on their behalf. *Please submit a copy of the Agent's Power of Attorney if applicable*).

Signature:		Full name of current registration holder or Agent:
