

## Law Officers' Department

### Retention Schedule

Under the Public Records (Jersey) Law 2002 the Archivist appointed by Jersey Heritage is required to work with public authorities to produce retention schedules. The schedules list the public records produced by authorities, the length of time these records need to be retained for and the eventual disposal of the information – either to the Jersey Archive for permanent preservation or to be confidentially destroyed.

This schedule applies to all records, whether paper or electronic that are produced by the Law Officers' Department (the "LOD").

The guidance below reflects best practice but does not constitute legal advice. The Archivist will endeavour to work with public authorities to ensure that the guidance reflects legislation but responsibility for checking on any legislative requirements rests with the public authority. Responsibility for checking more recent enactments rests with the reader.

This schedule will be reviewed after 5 years. Date of next review: August 2024

Please note retention period dates should be calculated from the end date of the file, e.g. a file dated 2001 – 2009 and due for transfer to Jersey Archive, review or destruction after 10 years should be actioned in January 2020.

#### Legislative and Regulatory Framework

1. Records will be managed in keeping with the Data Protection (Jersey) Law 2018, Public Records (Jersey) Law 2002, Freedom of Information (Jersey) Law 2011; States of Jersey Financial Direction 12.7.
2. Criminal Division records that may be subject to production under Article 34 of the Court of Appeal (Jersey) Law 1961 should be referred to the Director of the Criminal Division
3. The LOD will be required to identify any exemptions to public access on transfer of records to Jersey Archive.
