Subject: Plemont Holiday Village Inquiry

Dear Mr Coates

As you will be aware from my second pre inquiry note, and in the light of information I have gathered since the initial appointment meeting, I would like to invite you to participate at the inquiry.

I have assumed from what I have read to date that your position is likely to be at least broadly supportive of the proposals (but please say if I am wrong about that) and on this basis I have timetabled you to appear immediately following the applicants.

It would be very helpful if you could submit your Statement of Case to the Programme Officer no later than the general deadline of noon on 3rd September. This does not necessarily have to be something newly prepared if you have an extant report(s) that expresses your views. I understand that you may have something available summarising the history of the site and if so plainly that too would be helpful.

Whatever you submit will of course be made publicly available via the website.

Alan Langton
Independent Inspector

Dear Mr Langton
I can confirm that the Department is content with appearing after the applicants at the Inquiry and that our position will be one of conditional support.
The Department's Statement of Case will be submitted to you before the deadline of noon 3rd September.
Kind regards
Alistair Coates
