

Declaration for more than five pets moving for a competition or show

This declaration is required when more than 5 pet dogs, cats or ferrets are travelling with a single pet owner or authorised person to attend a competition, show or sporting event or training for such an event and wish to travel under the rules of the EU pet travel scheme.

It is designed to ensure that the written evidence provided by the pet owner or the authorised person, under Article 5(2)(b) of Regulation (EU) No 576/2013, is sufficient to establish that the movement of the identified animals is non-commercial and there is no intention to sell or transfer ownership of the pet animals.

I, the undersigned

..... (Print name)

(owner as named in the pet passport or natural person* authorised by the owner in writing)

* a natural person must be a 'real' person not an organisation

Declare that the following pet animals will be accompanied for the purpose of attending a competition/exhibition/sporting event or participating in training for such an event.

Name of pet**	Microchip number	Pet Passport number	Pet's date of birth

** If name registered for event is different from pet name, please include registration name.
 Continue on a separate sheet if required, and attach to this declaration.

Name of Event	Address/Location of event	Date & duration of event
*		

*The contact details for the show should be included together with information regarding the organiser

- I attach evidence that all the above animals are registered to attend the event or registered with an organisation organising such events.
- All the animals are over 6 months of age.
- The purpose of the non-commercial movement is not the sale or transfer of ownership of the pet animals.
