Dear Sir Philip

Please find attached some background briefing & biographies for Monday's APPG meeting. As previously mentioned, you will have the opportunity to give a brief (5ish minutes) update to APPG members. Inevitably, the meeting will be dominated by discussions about today's referendum result so we have agreed with Guernsey to co-ordinate yours and Jonathan Le Tocq's lines on Brexit. The earliest we can go through the lines with Guernsey officials will be on Monday but as soon as we have done so, we will send you speaking notes which we can run through with you before the meeting.

I hope that is all okay but do let me know if you need anything further over the weekend.

Kind regards
