Signature

Name of Applicant

Date

Live animals will be transported in compliance with the CITES Guidelines for the Transport and Preparation for Shipment of Live Wild Animals or, in the case of air transport, the Live Animals Regulations published by the International Air Transport Association, UK.

For a full explanation about CITES, and for specific identification see www.gov.je or www.cites.org
Applications should be made as early as possible, Please allow AT LEAST 3 weeks for processing.
Guidance notes overleaf

11. Source of Specimens

Code	Description
W	Specimens taken from the wild.
R	Specimens originating in a ranching operation.
D	Appendix I - animals bred in captivity for commercial purposes and Appendix I plants artificially propagated for commercial purposes, as well as parts and products thereof, exported under the provisions of Article VII, paragraph 4, of the Convention.
A	Plants that are artificially propagated in accordance with Resolution Conf. 8.17, as well as parts and products thereof, exported under the provisions of Article VII, paragraph 5, of the Convention (specimens of species included in Appendix I if they are not reproduced artificially for commercial purposes and specimens of species included in Appendices II and III).
C	Animals bred in captivity in accordance with Resolution Conf. 2.12, as well as parts and products thereof, exported under the provisions of Article VII; paragraph 5, of the Convention (specimens of species included in Appendix I if they are not bred in captivity for commercial purposes, and specimens of species included in Appendices II and III).
F	F1 generation animals bred in captivity, but which do not fulfil the definition of 'bred in captivity' in Resolution Conf. 2.12, as well as parts and products thereof.
O	Pre-Convention specimens
U	Source unknown (must be justified)
I	Confiscated or seized specimens

12. Purpose of Trade

Code	Description
M	Bio-medical research
G	Botanical gardens
B	Breeding in captivity or artificial propagation
Q	Circuses and Travelling exhibitions
T	Commercial / Trade
E	Educational
L	Enforcement (eg. Evidence for use in court, specimens for training)
H	Hunting Trophies
P	Personal
N	Reintroduction or introduction into the wild
S	Scientific
Z	Zoos
If the purpose of the transaction is not one of the above, it should be explained in the section for remarks.	

NB If you are exporting from Jersey to the UK you will need to apply for your UK import permit and present your Jersey export permit at the same time. UK import permits can be obtained from the DEFRA website ~ <http://animalhealth.defra.gov.uk/cites/> on the licensing page as are guidance notes. Alternatively you can contact DEFRA at Wildlife Licensing Section, Global Wildlife Division, Defra, 1/17 Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6EB, England, Tel 0117 372 8774 wildlife.licencing@ahvla.gsi.gov.uk
