

Dear Parents,

As we approach the May half term break, we are thrilled to tell you about the benefits of joining our hot school meals service.

Did you know?

- Parents who choose packed lunches spend about 11.5 hours more every term making lunch compared to those who use our hot lunch service.
- Families who pack lunches spend over £1 more per day on their child's lunch compared to those who choose hot school meals.

By signing up for our meal service, you not only save valuable time but also money!

Worried if your child will like hot school meals?

- Don't worry! Our surveys show that kids really enjoy our hot school meals and eat most of their lunch.
- 88% of parents rate their experience with our Primary School Meals as 'good' or 'excellent'.
- Your child will get to sit with their friends during lunch and have the same amount of time to eat as they would with a packed lunch.

We are proud to offer a diverse and healthy 3-week menu. This gives your child the chance to try different meals while getting all the important nutrients they need to grow well and do their best at school.

Our Primary School Meals are of high quality and are discounted:

- The cost for parents is just £2.50 per meal.
- Meals are free of charge for families on income support.

Registering for our primary school meals service is quick and simple. Just visit [flourish.myschoolmealorders.com/register](https://flourish.myschoolmealorders.com/register) or scan the QR code below.
