Form Section Explanations

Online form section explanations

Project title: [provide a brief description of your project in less than 20 words]

Project reference: [provide your internal reference or add free form specific text which enhances the explanation provided by the project title]

Start date: [add the start date for your project]

End date: [add the end date for your project. Note that this has to be before 31/12/21]

Sponsoring States Body: [select your sponsoring body from the drop-down options. You should have been in contact with either the intended sponsoring body or FiscalFund@gov.je to discuss the relevant department ahead of completing the form.]

Government Senior Responsible Officer: [If you have contacted the sponsoring body please put the relevant contact. If you are unsure then email FiscalFund@gov.je who will ensure you have the right contact name]

Project lead: [provide the name of the person who will be heading up the project and can answer any subsequent questions]

Organisation type: [select your type of organisation from the options – ALO, not for profit or other]

Organisation name: [provide the name of your organisation]

Type of project: [select the type of your project from the drop-down options]

Summary of the project: [provide a description of your project and how it links to the Fiscal Stimulus Fund objectives]

Project objectives: [information provided should cover what the outcomes of your project will be and how they link to the Fiscal Stimulus Fund objectives, the Government Plan and the Common Strategic Policies]

Project benefits: [information provided should cover what the benefits of your projects will be, as they relate to the Fiscal Stimulus Fund and wider Government Plan objectives]

Options: [provide some details about what other options there were in terms of the selected project. Example – the application is for refurbishment of part of a building that is used for charitable purposes. The funding is to enable the expansion of that service because of a perceived gap or increased need. It contributes to the economy by employing local tradesman and allows individuals an improvement in their well-being because of increased capacity. This section asks you to set out what others ways this result could have been achieved in brief detail.]

Are the required funds available through alternative sources? [respond either yes or no]

Is your organisation in good standing and have satisfactory governance arrangements in place? [respond either yes or no]

Are you in receipt of a current Government grant? [respond either yes or no]

Do you currently deliver any services for the Government of Jersey? [respond either yes or no]

Risk table: [add any risks for your project, with a probability and an impact score. You should be able to articulate any risks such as not being able to complete the project on time and the mitigation to that issue]

Financial analysis: [add the requested funding with a suitable level of detail, including uploading any relevant documents. These should include any relevant report and accounts in support of the application]

Stimulus type: [select the stimulus type from the drop-down options]

Industry sector: [describe the industry sector in summary]

Give details of the employment opportunities associated with your project: [provide details of the local roles that would be created by your project, or other employment details]

First Name, Surname and Email [provide your name and email address]
