

# Inclusive Education

We will all work together to uphold these 7 principles to achieve our aim.

We want all children and young people to feel welcomed, included, and supported in education so they can learn and grow.

## 1 Children's Voice

All children and young people have a say in decisions and their opinions are listened to and valued.

## 2 Respected and Valued

All children and young people feel respected and valued.

## 3 Safe Environment

All children and young people feel safe and confident in their learning spaces.

## 4 Wellbeing and Support

The needs and wellbeing of all children and young people are noticed and taken care of.

## 5 Learning

All children and young people get support to learn in ways that meet their needs.

## 6 Working Together

Everyone works together to make sure all children and young people have the right care and support.

## 7 Leadership and Responsibility

Leaders show everyone how to be inclusive and lead by example.
