

Our **Mission** is **making it easy for customers.**

Our Purpose

We put customers at the heart of everything we do. We want it to be quick and easy for customers to do business with us. We are proud to provide efficient and forward-thinking government services and have worked hard to remove steps that have made our services overly complicated in the past.

We strive to offer customers the opportunity to do business at a time and location that suits them – whether that be via post, online or face to face.
