Before you start your paper return

Did you know there's a new alternative digital ID for government services called JerseyMe? There's face-to-face help with set-up available and it doesn't require a smartphone for set up and use.

Do you have an in-date, valid passport? If the answer is 'yes' you can activate your onegov account and get the benefits of filing on-line:

1. **Quicker.** Most online returns can be processed automatically so you'll likely get your tax assessment faster.
2. **Easier.** You can personalise the return to just the sections you need, save your progress and come back later, and there's built-in help and checks so you're less likely to make mistakes.
3. **Receipt confirmation.** You get acknowledgement of safe receipt and a copy of your return when you submit.
4. **Secure.** Your identity and data are secure.

Plus once you have a onegov account, you have a history list of all government forms you submit when you're logged in.

Step 1: Choose and create your digital ID

You don't need a smartphone if you use JerseyMe. It works on computers and tablets and there's local face to face support available at the Broad Street Post Office.
