Request

(1) Confirm on what date(s) the register of Appeals and Tribunals and/or the chair or Deputy Chair of the social Security Tribunal were first informed that he Social Security Minister was considering making (or Intending to make) amendments to the law in respect of appeals to the Social Security Tribunal and the Medical Appeals Tribunal. These changes eventually came into force on 6th March 2015 in the form of the Social Security, Health Insurance and Income Support (Miscellaneous Provisions) (Jersey) Order 2015 (R&O.24/2015).

(2) Provide copies of any correspondence that passed between the Registrar of Appeals and Tribunals and/or the Chair or Deputy Chair of the Social Security Tribunal on one side and the Social Security Minister or officers of the Social Security Department on the other side with respect to the proposed amendments to the law mentioned in (1) above.

(3) Confirm whether the Registrar of Appeals and Tribunals and/or the Chair or Deputy Chair of the Social Security Tribunal agreed with the Minister to delay setting appeal hearing dates in respect of some or any appeals lodged before 6th March 2015 in order to give the Minister time to complete the drafting of the law changes and to bring them into force by means of R&O.24/2015.

(4) Confirm whether appeals that were correctly lodged in accordance with the law as it stood before 6th March 2015, but which nevertheless stand to be heard and decided by the Tribunal on or after 6th March 2015, will be subject to the law as it stood before 6th March 2015 or the law as amended by R&O.24/2015 with effect from 6th March 2015.
Response:

Your Request has been handled by the Judicial Greffe as follows.

(1) Our records show that the Registrar was first informed of the referenced changes on the 18th March 2015, after the Order came into force on the 6th March 2015. Earlier correspondence by email to the Judicial Greffe, copied to the Registrar, from the Social Security Department received on 18th August 2014 notified the Department that draft changes to the Primary Law had been lodged by the Minister for Social Security. These Primary law changes were required to provide the legal basis under which the Order was made: the Primary law changes came into effect on 19th January 2015, one month after the Law was registered.

Note that the progress of changes to the law was available to the Registrar through publicly available documents on States of Jersey websites as detailed in the table below. There had been knowledge of the possibility of law change at the time of a recruitment drive for Medical members of the Tribunal in July 2014, but the Ministerial decision dated 11th August 2014 referenced below was the first point at which the Registrar knew the Minister intended to make changes to the Law.
