- [REDACTED] - CBD products (non psychoactive) are not controlled in their pure form. Guernsey have legislation in place to limit the THC content and [REDACTED] said that they would support this approach as couldn't test every product. [REDACTED] said that Customs see a significant amount of these products coming in.

Action – [REDACTED] to do a briefing for the next meeting - to find a sensible solution. Send Home Office factsheet with the minutes.

**A6:**

Matters arising.

Following the last meeting [REDACTED] met with and wrote to the Minister, he is minded to follow the advice regarding Sativex.

Regarding [REDACTED] – both companies could provide products to Jersey with the proper licences/authorisations.

Discussion regarding the practicalities of getting the products to Jersey. [REDACTED] suggested that the MOJ need to formally ask the UK if these products can come through the UK to Jersey. MD has been drafted for the Minister to formally accept the advice. [REDACTED] said that [REDACTED] would be the person to contact who would then liaise with the [REDACTED]

CLOSE.
