**Subject:** RE: Chief Officers Board  
**Importance:** High

"I assumed the roles and responsibilities of the Chief Officer of the States of Jersey Police, as a result of the illness and sad death of Rob Bastable in 2018. It was deemed appropriate at the time for my name to appear on the Chief Officers board at Police Headquarters. The Police Association have quite rightly highlighted that the board contains the names of Chief Officers who were appointed by a Ministerial Decision. As I was not appointed by Ministerial Decision, and subsequently left the Police to take up my current role, I agree that it is appropriate that my name is removed."
