Dear Kevin

PSD BOARD VISIT TO JERSEY

On behalf of my Board I should like to thank you and your colleagues for your hospitality yesterday. It was good to be able to put some faces to names and I am sure you will agree that our discussions regarding export of waste got off to a positive start.

We found the tour of the Energy from Waste plant most interesting and should be grateful if you would extend our thanks to your officers who did such a good job of explaining the workings of the plant and answering our questions.

I look forward to continuing the constructive dialogue that we have commenced.

Yours sincerely

Minister
