Subject: FW: Havre Des Pas - Traffic Calming Public Consultation 16/08/2021

[REDACTED]

We have had very few feedback e-mails about Havre des Pas Tables, mainly about the detail.

As you can see below for the drop—in on street on 16th August, most support the principle; comments were around wider issues for the area.

I should have as summary interim engagement report for next week from [REDACTED] who is leading this for us.

Best regards,
