## January & February 2022

### Further information

The Government of Jersey will be carrying out essential highway maintenance on Havre des Pas from Monday 10 January, running for approximately seven weeks. The road will be closed in both directions 24-hours a day during the work, with signed diversions in place. The work is being carried out during the quieter winter months to keep journey disruption to a minimum but delays are likely. We are sorry for any inconvenience caused. More details on diversions, access to premises and working times on [gov.je/roadworks](http://gov.je/roadworks).
