10th February 2018

Dear Ian,

Thank you for your letter of the 2nd February 2018 advising of the commissioning of a report.

I did endeavour to obtain clarification of the structure of this investigation but was advised on the 8th February 2018 by the Economic Development, Tourism, Sport and Culture Department, States of Jersey the following:

"I am grateful for your interest in this matter however this exercise focusses on past events which pre-date the JLA."

Members of the Jersey Lifeboat Association shall therefore no take part in the review as requested.

In respect of the other points raised I regret that it is too early for us to comment.

Yours sincerely,
