

# Senator Philip Ozouf

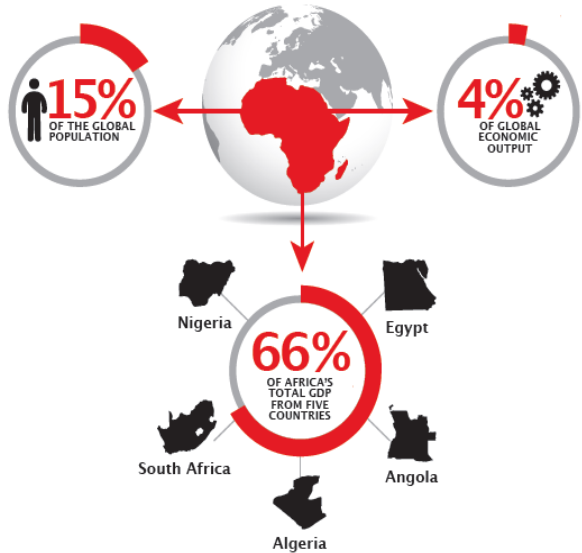

Assistant Chief Minister  
Government of Jersey

# Jersey's value to Africa

The role for international financial centres in delivering sustainable growth in developing countries

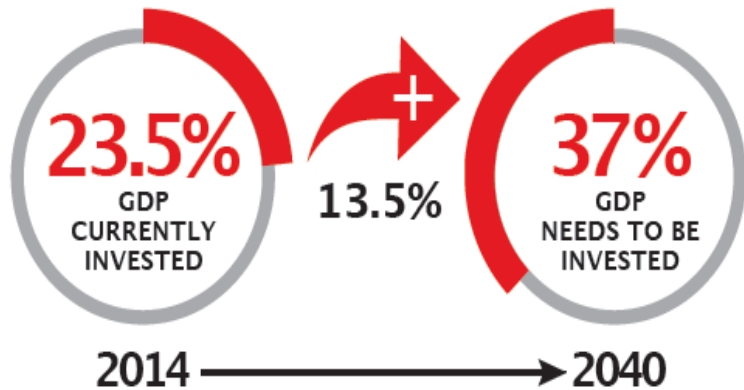

## Putting Africa in a world context

## Africa needs investment to realise its full potential

## Africa needs to invest more of its GDP

## Only foreign private investment can fund Africa's investment needs

Africa's economy has  
the potential to grow  
by 5% per annum

Demographic trends  
should boost Africa's  
productive capacity over  
the next 30 years
