I confirm that all relevant 'pre-commencement' conditions were satisfactorily discharged prior to the commencement of demolition works on site.

Subject: Jersey Airport Demolition P/2010/1729

Dear [REDACTED]

P/2010/1729 Demolition of Jersey Airport 1937 Terminal

I am attaching a copy of the Decision Notice issued on 17th March 2014 covering a five-year permit which allowed the demolition of the 1937 Airport Terminal (Listed Grade 2).

Could I trouble you to confirm that all five conditions attached to the permit have been complied with, and that the Department holds the documents relevant to each condition?

With best wishes
