Hi [REDACTED]

Yes all well thanks, [REDACTED]

A lot of our folk are flat out on covid at present and the exit plan and contract tracing. I would think something in about a month might suit.

Hi [REDACTED]

Hope all well with you and [REDACTED]

I'm following up on a couple of things:

1. Following the discussions at the Shadow Conseil, we (group of officers) were going to meet to work up what we thought could be taken forward. COVID has obviously interrupted any movement on that, although I'm now looking to see if we can move forward. We had [REDACTED] attend our last virtual meeting to talk about licencing. Is it viable to start those discussions at the moment or is everyone still occupied on COVID matters, and if it is, who is the best point of contact in your team for us to liaise with as a starting point?
2. [REDACTED]

Thanks, and have a good weekend.
