

A new site for Les Quennevais School

The Les Quennevais Secondary School buildings need to be replaced because they are outdated, too small for the number of students and on a site that is not big enough for a modern school.

Three other possible locations have been identified.

Before the project goes any further, we would like to hear your views about the site options.

More information, including site details and maps, to help you make your choice is available at www.gov.je/consult or in the information booklet available from the school, parish halls, sports centres or libraries.

Have your say

You can complete this form and return it to States schools, parish halls, sports centres or libraries. You can also nominate your preferred site online and leave your comments at: <https://www.surveymonkey.com/r/LQschoolsites> or write to: Les Quennevais School consultation, Education, Sport and Culture Dept., PO Box 142, Highlands Campus, St Saviour JE4 8QJ.
