¹ *Where a discussion relates to a matter on which an attendee considers they may have a real or perceived conflict of interest, they should declare this in advance by notifying the Chair. The Chair will also provide opportunity at the start of the meeting for any such declarations, and if appropriate, the attendee will be asked to leave the meeting for the discussion.*

Attending officials should adopt the same approach by referring matters to the Chief Executive and the Head of the Ministerial Office. The advice of the Ministerial Office will aim to mirror the approach outlined in [Standing Orders of the States of Jersey](#) and/or the [Ministerial Code](#) to support consistency.
