# ABOUT THE TRACKERS TEAM

“An apprenticeship programme that supports local apprentices and businesses by providing professional mentoring and industry-specific training.”

The Trackers programme (part of Skills Jersey) supports people aged 16 and over in their chosen apprenticeships by providing mentoring and funding or part-funding for training fees. Trackers currently supports 400 apprentices across 28 different industries. We're constantly researching and exploring new industry areas that could benefit from our apprenticeship model in order to fill skills-gaps on the Island and help to upskill Jersey's workforce.
