THE APPRENTICE PROGRAMME
The Trackers programme (part of Skills Jersey) supports people aged 16 and over in their chosen apprenticeships by providing mentoring and funding or part-funding for training fees. Trackers currently supports 400 apprentices across 28 different industries. We’re constantly researching and exploring new industry areas that could benefit from our apprenticeship model in order to fill skills-gaps on the Island and help to upskill Jersey’s workforce.

MENTORS

Apprentices are given a dedicated and qualified mentor who will coach, support and guide them through their apprenticeship. Mentors use coaching and mentoring techniques including personal reflection, performance review, goal setting and action planning.

Mentors will:

- Develop soft skills
- Meet one-to-one with apprentices
- Support employers with their apprentices
- Organise apprentice and tutor meetings
- Challenge and develop apprentices

TRACKERS FOUNDATION PROGRAMME

This apprenticeship is a one year full-time programme for 16 to 18 year olds.

It will benefit:
- Those who are unsure of their career path and would like to gain experience in different industries
- Those who have an idea of which career path they would like to go into but have not yet found employment

It runs from September to June and includes:
- Two days a week work experience placement in the chosen area
- Two days a week personal development and employability training
- One day a week completing a customer service qualification
- The opportunity to retake Maths & English up to Level 2

This programme runs term time only.
