

Children, Young People, Education and Skills Policy

Title: Hautlieu 14+ Appeals (Year 10 - 2022 entry)
Issued: 12 September 2013
Last updated: August 2021
Author: Project Manager

1. Overview

Students applying for places in Year 10 at Hautlieu School who do not meet the minimum recommended criteria have the right of appeal. Appeals are managed by the Department for Children, Young People, Education and Skills.

2. Scope

This policy applies to all Year 10 applicants to Hautlieu who do not obtain the minimum required academic standards for entry.

3. Policy

The appeal process for all school admissions in Jersey is non-statutory.

The minimum academic level for automatic Year 10 entry to Hautlieu¹ is a:

- CAT score of 109 or higher
- an approved English assessment score of 103; and
- an approved mathematics assessment score of 103

For students not offered a place the minimum academic level² and to apply for an appeal hearing in 2022 is a:

- CAT score of 103 or higher and;
- a score of 103 or above in either English or mathematics; and
- a minimum approved assessment score of 100 or above in the other subject (English or mathematics)

¹ In exceptional circumstances, students who miss the minimum academic level in one of the criteria, whilst performing strongly in the other two, may still be offered a place. For example 120 CAT, 117 English, 98 mathematics

² The Department is 'guided' by this level. There may be truly exceptional cases where it is not appropriate to deny a student an appeal hearing

Students invited to an appeal hearing may be required to submit additional evidence and/or undertake a further assessment in English and / or mathematics.

Panel make-up

The panel must consist of the Education Minister or their Deputy, an independent person of high standing in the community and a senior manager from the Department for Children, Young People, Education and Skills or, a senior educational expert from the Department (for example a senior adviser).

Appeal deadlines

A deadline is set, on an annual basis, for the receipt of all requests for appeals (usually on or around the spring term half term). The absolute deadline for any late requests for appeals is 10 school days before the end of the spring term.
