

Jersey Energy Forum
Meeting notes and Action Points
Friday 5th March 2021

Attendees:

Jim Hopley [Chair]
 Chris Ambler
 Peter Cadiou
 Richard Le Sueur
 Tina Langdon
 Alison Cambray
 Bertrand Dellinger
 Ian Wilson
 Colin Russell

Government of Jersey:

Louise Magris
 Lisette Jones
 Jane Burns
 Jodie Le Marquand

External guests:

Diane Beddoes

		Action
1.	Welcome and apologies	
2.	Minutes and matters from last meeting	
	Minutes marked as a true representation of the last meeting	JLM to upload to gov.je
3.	Update on Oxera report	LM to share with Forum members once signed off
	This is a shorter report compiled from the longer published quantification report worked up by Oxera as part of the Carbon neutral Strategy.	
	The purpose of the new report is to reiterate but simplify the complex narrative around decarbonisation scenarios to make it more digestible to the general public as a supporting document to the Citizens' Assembly and Carbon Neutral Roadmap. It includes graphics around benefits and costs for the 2030 target date that LM showed the group on screen.	
4.	Climate conversation and climate assembly	
	JB gave presentation on the climate conversation.	

	<p>Good feedback from the forum on the engagement work.</p> <p>LM gave presentation and took questions on the citizens' assembly.</p> <p>LS gave presentation and took questions on participants and representation split.</p> <p>JH gave an update and took questions on the advisory panel.</p> <p>DB (Involve) gave overview of citizens' assembly design and took questions. She emphasised the importance of building trust and for participants to know their recommendations will be taken seriously and that Ministers will respond to recommendations that are not brought forward. Starts with asking participants what 2100 would look like. Two deep dive areas in blocks 2 & 3 are heating, cooling and cooking and transport.</p> <p>All stakeholders, including all energy forum members, are invited to submit written submissions.</p> <p>The Carbon Neutral Road map will go to public consultation and then through Scrutiny so there will be a further opportunity to contribute feedback.</p>	
<p>5.</p>	<p>AOB and date of next meeting</p> <p>Next meeting is the 21st May 11 – 12.30</p> <p>Reminder to get in touch with Jim with any queries</p>
