WARNING

It is an offence under Article 100 of the Waste Management (Jersey) Law 2005 to knowingly or recklessly make a statement in this application that is false or misleading in a material particular. Any person found guilty of such an offence shall be liable to imprisonment for a term not exceeding two years or to a fine, or both.

IMPORTANT - PLEASE READ BEFORE COMPLETING THIS FORM

- Please ensure that you have read all the accompanying guidance before completing this application form.
<https://www.gov.je/Home/WasteRecycling/SpecialWasteServices/Pages/ControlledWaste.aspx>
- Each section should be fully completed. An incomplete or insufficient answer will halt the licensing process until a suitable answer is provided. For each section please refer to the guidance provided with the application form.
- An application will not be considered against a poor set of accompanying plans and cross sections - these should be drawn up by a competent surveyor, architect or engineer.

COMMERCIAL CONFIDENTIALITY

This application form, when completed and submitted, will become a publicly available document. Should you consider that any of the information you are required to provide is a trade secret you are entitled to apply for a certificate of confidentiality under Article 94 of the above Law. To apply for such a certificate please enclose a letter when submitting this form stating clearly which information you wish to be kept confidential and why.

Whilst your application for confidentiality is being considered by the Minister for the Environment, the information concerned shall be treated as confidential. You will be informed in writing of the Minister's decision. You may appeal against the Minister's decision - see guidance note 1.
