Dear Chief Minister,

I have been charged in relation to an alleged Motoring Offence which took place in June last year.

I strenuously deny the allegations, however in the interests of the Government I feel I should step aside temporarily from my duties as Assistant Chief Minister, in order to avoid any unnecessary distraction for the Government at this time.

I shall not be making any statements in relation to this matter until it is resolved as it is "sub judice".

Yours sincerely,

Christopher Taylor
