

# JERSEY ARCHITECTURE COMMISSION

## Commissioners Details

### **June Barnes**

An independent board member of Urban and Civic a property development company based in London with a mixture of residential, commercial and retail floor space in the pipeline. She has a Diploma in Urban and Regional Planning and a post graduate qualification in housing. She is the Chair of Hornsey Housing Trust, based in North London. She has been part of the London Mayor's Design Advisory Group (MDAG) who advise the Mayor on design issues and the review of key major developments.

### **David Gausden RIBA, FCSD**

An architect who is a Director of Design Engine Architects in Winchester. He has an expertise in primary and secondary education sectors and has worked in Guernsey on educational and residential schemes. He has taught through his career as a visiting tutor and critic most recently at Oxford Brookes University. He is a member of the Coastal West Sussex Design Panel and regularly takes part in, and contributes to, design forums. He has an interest in design within a broader context particularly interior and exhibition design.

### **Antony Gibb BA (Hons) Dip ID, Dip Grad Cons (AA), MCS D, IHBC**

Antony's background is in history of art, archaeology and construction, specialising in the repair of historic buildings. He is a member of the Institute of Historic Building Conservation and practices in Jersey.

### **Johanna Gibbon**

Jo is a landscape architect and honorary research fellow at Birkbeck University. Jo lectures on an international stage and is invited to participate on judging panels. She is a research partner of Urban Mind exploring how the urban environment affects mental wellbeing. She is a panel advisor to both Historic England and the Forestry Commission. She has won international awards including the Landscape Institute's President's Award in 2011 and has been shortlisted for the Stirling Prize in 2018.

### **Sara Hart-Bricknell RIBA, BA (Hons) Architecture, PG Dip Architecture with Conservation, PG Dip Town and Country Planning.**

A sole practitioner, local architect and planning advisor who works on all aspects of residential design and development with a particular interest in the union of modern and traditional forms, building legibility and Passiv standard building form and practice. Previous roles have included Senior Planning Officer and Department Architect for the States of Jersey.

**David Levitt OBE MA RIBA FRSA**

An architect who has specialised in all aspects of housing design with a particular emphasis on housing standards in both the private and social housing sectors. He is a founding member of Design for Homes a “not for profit” company dedicated to promoting good design and construction throughout the industry. For the last 20 years he has been one of the two nominated RIBA assessors on the judging panel for the Housing Design Awards. His most recent advisory role has been as a member of the Mayor of London’s Design Advisory Group.

**David Prichard RIBA, AoU, FRSA**

Founder and partner in Metropolitan Workshop (Metwork) he was formerly a partner in MacCormac Jamieson Prichard Architects. Metwork has won several prestigious commissions and awards for its urban design work and residential projects in sensitive urban and rural contexts. Inter-disciplinary working has been at the core of his working method. He has for over 20 years been involved with the Civic Trust and has chaired the national panel of judges for their awards since 2004.

**Lynne Sullivan OBE RIBA**

Lynne is an architect and recent Chair of RIBA Sustainable Futures, representing the RIBA as Climate Change Ambassador at COP21 in Paris. She founded sustainableBYdesign, finalists in all three BRE-sponsored UK Passivhaus prototype housing competitions, and has authored and chairs policy advice and research on sustainability in the built environment for UK governments and others. She chaired two reviews of energy efficiency regulations for the Building Regulation Advisory Committee, is a member of the Independent Commission on Climate for Cambridgeshire and Peterborough, and sits on the UK government's Green Construction Board. Lynne is an invited judge on many built environment awards and is a RIBA Competitions Design Advisor.

**Andy Theobald BSc (Hons) BArch (Hons) RIBA**

A practicing architect, partner and studio leader at Fielden Clegg Bradley, the 2008 Stirling Prize winners (the highest accolade in British Architecture), he has also has experience in presenting to Design Review Groups and sits on the CABI School Design Panel.

**Chris Twinn**

Chris is a design engineer who is a sustainability specialist in the built environment. He has contributed to many leading-edge projects including BedZED. His practice aims to give all projects a route to zero carbon, 75% better than UK building regulations energy use; and for various projects abroad - seeking zero carbon, water autonomy and as low as 10% car usage. He is a member of the Design Council, various design review panels as well as the EDGE think tank committee and is a non-exec director for the Sustainable Development Foundation.

**Mike Waddington BA (Hons), Dip Arch, RIBA, FCSD**

A practicing architect and Director of Waddington Architects, one of Jersey's leading practices.

**Specialist On Call**

**John Desmond BSc (Bldg Econ), FRICS, MCI Arb, FRSA**

A chartered surveyor and building economist who has been advising on the economics of development in both the private and public sectors for the past 40 years. John was Managing Director of Bernard Williams Associates a surveying practice in London, Leeds and Dubai for over 25 years. His expertise covers all aspects of development economics including land valuation construction costs as well as facilities costs and he brings a holistic approach to development appraisals.
