

**States of Jersey  
Planning and Environment Department  
Waste Management (Jersey) Law 2005 - Article 32**

**Application to Vary the Terms or Conditions of a Waste  
Management Licence (JWL005)**

**When complete, send six copies of this form and any accompanying plans, cross sections and documents to:-**

Head of Waste Regulation,  
Planning and Environment Department, Environment Division,  
States of Jersey, Howard Davis Farm,  
La Route de la Trinite, Trinity,  
Jersey JE3 5JP

**WARNING**

**It is an offence under Article 100 of the Waste Management (Jersey) Law 2005 to knowingly or recklessly make a statement in this application that is false or misleading in a material particular. Any person found guilty of such an offence shall be liable to imprisonment for a term not exceeding two years or to a fine, or both.**

**IMPORTANT - PLEASE READ BEFORE COMPLETING THIS FORM**

- < Please ensure that you have read all the accompanying guidance before proceeding with this application form.
- < Each section should be fully completed. An incomplete or insufficient answer will halt the variation process until a suitable answer is provided. For each section please refer to the guidance provided with the application form.
- < An application will not be considered against a poor set of accompanying plans and cross sections - these should be drawn up by a competent surveyor, architect or engineer.
- < An unsigned application will not be considered.

**COMMERCIAL CONFIDENTIALITY**

**This application form, when completed and submitted, will become a publicly available document. Should you consider that any of the information you are required to provide is a trade secret you are entitled to apply for a certificate of confidentiality under Article 94 of the above Law. To apply for such a certificate please enclose a letter when submitting this form stating clearly which information you wish to be kept confidential and why.**

Whilst your application for confidentiality is being considered by the Minister for Planning and Environment, the information concerned shall be treated as confidential. You will be informed in writing of the Minister's decision. You may appeal against the Minister's decision - *see guidance note 1.*

**Part 1 - The Applicant**

<b>1.1 Authorised contact (see note 2)</b>			
Full name, surname first then all forenames	Fauvel, Richard		
Position	Assistant Director for Solid Waste		
Business address	Department for Infrastructure		
PO Box 412, South Hill			
St Helier, Jersey	Postcode	JE4 8UY

<b>1.3 The current licence</b>			
Licence number	WML 024		
Address of licensed site	La Collette II Reclamation Site		
La Collette			
St Helier, Jersey	Postcode	JE2 3NX	

## Part 2 - "Fitness" of Applicant

<b>2.1 "Fitness"</b>
<p>The terms or conditions of a waste management licence may only be varied if the Minister for Planning and Environment is satisfied that either the variation is of no consequence for either of the two factors below or, where the variation does impact upon one or both of the factors, suitable adjustments are made via this application. The two factors are:</p> <ol style="list-style-type: none"> <li>1. Financial security</li> <li>2. Technical resources</li> </ol>

<b>2.2 Financial security (see note 4)</b>		
Does the proposed variation require increased financial obligations to be made by the licence holder?	Yes	provide details below
	No	X go to section 2.3
Please describe below how you intend to demonstrate that you have sufficient financial resources to meet the varied terms and conditions of the waste management licence (use separate sheets if necessary). You should include a revised expenditure plan for the site with this application.		

<b>2.3 Technical resources (see note 5)</b>		
Does the proposed variation require increased technical training, supervision and/or management?	Yes	provide details below
	No	X go to section 3.1
Please give the following details for each person who will be responsible for managing the undertaking(s) at the site which are subject to the variation applied for. For each person named below we require a revised statement of qualifying experience and we may also want to carry out our own assessment.		
Full name		
Position		
Name of referee on statement of qualifying experience	1.	
	2.

**Part 3 - The Proposed Variation**

<b>3.1 Details of proposed variation (see note 6)</b>
<p>Please use the space provided below to give details of the variations(s) that you wish to be made to the terms and conditions of your licence. Where relevant, please refer to the number(s) of your existing condition(s) to your licence. Include with this application copies of any plans or drawings and, where appropriate, a copy of any additional planning consent. If the proposed variation also requires an amendment to the site's working plan please include the proposed amendment with this application. Where a significant change is proposed please give a summary below and provide more detail on separate sheets of paper.</p>
Submission of an updated Working Plan and drawings for tables 3.2 and 3.4.
The Working Plan covers the receipt of licensed asbestos waste and non-licensed asbestos waste at the new asbestos reception facility and the permanent disposal of licensed asbestos waste and non-licensed asbestos waste in Cell 30 following the approval of planning application P/2015/1461.
The method of removal of asbestos containing wastes situated in shipping containers at La Collette reclamation site will be contained in a written plan of work to be submitted once a suitable contractor has been selected and their method of operation agreed.

**Part 4 - Completion of Application**

<b>4.1 Checklist - please tick to confirm inclusion of the following documents (see note 7)</b>		
Document	No. of copies	Included?
Completed application form	6	G
Continuation sheets - numbered and cross referenced to the section they apply to and signed and dated by the applicant	6	G
Copy of planning permission (where relevant)	1	G
Updated financial information, including site expenditure plan (where relevant)	1	G
Revised statement(s) of qualifying experience (where relevant)	1 of each	G
Amended working plan (where relevant)	6	G
Plans and/or drawings (where relevant)	6	G
Letter requesting commercial confidentiality	1	G
