Declarations of Conflicts of Interest

Where a discussion at the Council relates to a matter on which a Minister considers they may have a real or perceived conflict of interest, they should declare this in advance by notifying the Chief Minister. The Chief Minister will also provide opportunity at the start of the meeting for any such declarations, and if appropriate, the Minister will be asked to leave the meeting for the discussion. Attending officials should adopt the same approach by referring matters to the Chief Executive and Head of the Ministerial Office. The advice of the Ministerial Office can be obtained on any such matter, and in doing so, they will aim to mirror the approach adopted in Standing Orders and the Assembly to support consistency.
