- (2) The court may make the order applied for if it is satisfied that the person's conduct in relation to a limited liability company makes the person unfit to be concerned in the management of a limited liability company.
- (3) A person subject to an order under paragraph (2) is prohibited from being a member of a limited liability company that has not appointed a manager.

PART 2

ACCOUNTS AND AUDIT

6 Accounts

- (1) A limited liability company must keep accounting records or returns of the limited liability company that are sufficient to show and explain the limited liability company's transactions and are such as to disclose with reasonable accuracy at any time the financial position of the limited liability company at that time.
- (2) A limited liability company whose accounting records are kept in Jersey –
 - (a) may provide its secretary with the accounting records of the limited liability company at any time; and
 - (b) must provide its secretary, within one month of the end of the limited liability company's accounting period, with any accounting records of the limited liability company in respect of that accounting period that have not already been provided under sub-paragraph (a).
- (3) A limited liability company whose accounting records are kept outside Jersey must provide its secretary, at intervals of not more than 6 months, with a return with respect to the business dealt with in those accounting records in respect of the 6 month period ending no earlier than one month before the date of providing the return.
- (4) A limited liability company that fails to provide to its secretary its accounting records or a return, as the case may be, as required under paragraph (2) or (3) commits an offence.
- (5) Accounts prepared by a market traded LLC must be prepared in accordance with the generally accepted accounting principles set out in Article 2 of the Companies (GAAP) (Jersey) Order 2010.
- (6) Accounts prepared by a limited liability company that is not a market traded LLC must –
 - (a) be prepared in accordance with generally accepted accounting principles; and
 - (b) specify which generally accepted accounting principles have been adopted in their preparation.
- (7) A limited liability company's accounting period must be –

- (a) not more than 18 months beginning on the day the limited liability company was registered; and
- (b) if the limited liability company had previously prepared accounts, not more than 18 months beginning at the end of the period covered by the most recent accounts.

7 Audit

- (1) Subject to paragraph (2) and the LLC agreement it is not necessary for a limited liability company to appoint an auditor nor to have its accounts audited unless –
 - (a) it is a market traded LLC; or
 - (b) it is making a public offer.
- (2) A limited liability company that qualifies under paragraph 1(a) or (b) must –
 - (a) appoint an auditor who appears on the Register of Recognized Auditors held by the Commission under Article 110 of the Companies (Jersey) Law 1991; and
 - (b) have its accounts audited.
- (3) A limited liability company may, in accordance with its LLC agreement or with Article 16 of the Law, at any time remove an auditor despite anything in any agreement between it and the auditor.
- (4) Nothing in this Regulation is to be taken as depriving a person removed under it of compensation or damages payable to the person in respect of the termination of the person's appointment as auditor.

8 Publication of interim accounts

A limited liability company must not publish interim accounts, whether or not audited, unless the accounts have been prepared –

- (a) in the case of a market traded limited liability company or a limited liability company making a public offer, in accordance with the generally accepted accounting principles set out in Article 2 of the Companies (GAAP) (Jersey) Order 2010; or
- (b) in any other case, in accordance with any generally accepted accounting principles.

9 Copies of accounts

- (1) This Regulation applies where a member of a limited liability company who has not previously been furnished with a copy of its latest accounts makes a written request to the limited liability company to be furnished with a copy of those accounts together with a copy of any auditor's report on them.
- (2) The limited liability company must, without charge and within 7 days of the request being made to it, furnish to the person the accounts requested together with any auditor's report on them.

10 Delivery of accounts to registrar

- (1) Where the managers of a market traded limited liability company are required to produce accounts for the limited liability company under Regulation 6(2), the managers must, for each financial period of the limited liability company, deliver to the registrar –
 - (a) a copy of the limited liability company's accounts for the period signed on behalf of the managers by one of them;
 - (b) a copy of the auditor's report on the accounts; and
 - (c) if any of the documents is not in English, a copy of it in English, certified to be a correct translation.
- (2) The documents must be delivered to the registrar within 7 months after the end of the financial period to which they relate.
- (3) If a limited liability company ceases to be market traded during a financial period –
 - (a) paragraph (1) applies in relation to the limited liability company in respect of that period; but
 - (b) the requirement in the paragraph to deliver accounts is to be taken to have been satisfied if the accounts relate to either all of the financial period (including a period when the limited liability company was no longer market traded) or to only the part of the financial period during which the limited liability company was market traded.
- (4) Paragraph (5) applies if a limited liability company applies in writing to the Commission for an extension, not later than one month before the end of the period mentioned in –
 - (a) Regulation 6(7); or
 - (b) paragraph (2) of this Regulation.
- (5) The Commission may, by written notice to the limited liability company, extend the period if it is satisfied that a special reason for doing so exists.
- (6) If the Commission does so, it must send a copy of the notice to the registrar.
- (7) A limited liability company must pay the published fee and any late filing fee on filing documents under this Regulation.

11 Failure to comply with Regulation 6, 7, 8, 9 or 10

If a limited liability company fails to comply with Regulation 6, 7, 8, 9 or 10, each of the following commits an offence –

- (a) the limited liability company;
- (b) each manager of the limited liability company.

PART 3

PROSPECTUSES

12 Application

- (1) Except as provided by paragraph (2), this Part applies to a prospectus relating to securities in a limited liability company.
- (2) This Part does not apply to the issue of a document relating to a scheme intended to facilitate or to encourage the holding of securities in a limited liability company by or for the benefit of –
 - (a) managers or former managers of the limited liability company, the limited liability company's subsidiary or holding limited liability company, or a subsidiary of the limited liability company's holding limited liability company;
 - (b) the bona fide employees or former employees of the limited liability company, the limited liability company's subsidiary or holding limited liability company or a subsidiary of the limited liability company's holding limited liability company; or
 - (c) the wives, husbands, widows, widowers, minor children or minor step-children of such members or employees or former members or former employees.

13 Control of borrowing

The provisions of this Part are in addition to and do not derogate from the requirements of the Control of Borrowing (Jersey) Order 1958.

14 Circulation of prospectus

- (1) A limited liability company may not circulate a prospectus unless it has appointed a manager.
- (2) Subject to paragraph (4), unless the conditions in paragraph (3) are complied with –
 - (a) a person must not circulate a prospectus in Jersey;
 - (b) a limited liability company must not circulate a prospectus outside Jersey; and
 - (c) a limited liability company must not procure the circulation of a prospectus outside Jersey.
- (3) The conditions are –
 - (a) the prospectus contains the information specified in Part 1 of Schedule 1;
 - (b) the prospectus includes the statements specified in Part 2 of Schedule 1;
 - (c) there has been delivered to the registrar –
 - (i) a copy of the prospectus, signed by or on behalf of all of the managers of the limited liability company,

- (ii) a signed copy of any report included in or attached to the prospectus, and
 - (iii) any other particulars that the registrar may require; and
 - (d) the registrar has given consent to the circulation of the prospectus.
- (4) The registrar may give consent to the circulation of a prospectus that does not comply in every respect with the conditions in paragraph (3) if the registrar is satisfied that the deviation from those requirements does not affect the substance of the prospectus and is not calculated to mislead.

15 Compensation for misleading statements in prospectus

- (1) A person who acquires or agrees to acquire an LLC interest to which a prospectus relates and suffers a loss in respect of the LLC interest as a result of the inclusion in the prospectus of a statement of a material fact which is untrue or misleading, or the omission from it of the statement of a material fact, is, subject to Regulation 16, entitled to compensation –
- (a) in the case of securities offered for subscription, from the limited liability company issuing the securities and from each person who was a manager of it when the prospectus was circulated;
 - (b) in the case of securities offered otherwise than for subscription, from the person making the offer and, where that person is a limited liability company or a body corporate, from each person who was a manager or a director of it when the prospectus was circulated;
 - (c) from each person who is stated in the prospectus as accepting responsibility for the prospectus, or any part of it, but, in that case, only in respect of a statement made in or omitted from that part; and
 - (d) from each person who has authorised the contents of, or any part of, the prospectus.
- (2) Nothing in this Regulation makes a person responsible by reason only of giving advice as to the contents of a prospectus in a professional capacity.
- (3) This Regulation does not affect any liability which any person may incur apart from this Regulation.
- (4) This Regulation applies only to a prospectus first circulated after the Regulation comes into force.

16 Exemption from liability to pay compensation

A person is not liable under Regulation 15 if the person satisfies the court –

- (a) that the prospectus was circulated without the person's consent;
- (b) that, having made such enquiries (if any) as were reasonable, from the circulation of the prospectus until the LLC interest was acquired, the person reasonably believed that the statement was true and not misleading or that the matter omitted was properly omitted;
- (c) that, after the circulation of the prospectus and before the LLC interest was acquired the person, on becoming aware of the untrue or misleading statement or of the omission of the statement of a material fact, took reasonable steps to secure that a correction was brought to the notice of persons likely to acquire the LLC interest;

- (d) in the case of a loss caused by a statement purporting to be made by a person whose qualifications give authority to a statement made by the person which was included in the prospectus with the person's consent, that when the prospectus was circulated the person reasonably believed that the person purporting to make the statement was competent to do so and had consented to its inclusion in the prospectus; or
- (e) that the person suffering the loss acquired or agreed to acquire the LLC interest knowing that the statement was untrue or misleading or that the matter in question was omitted.

17 Recovery of compensation

- (1) A person is not debarred from obtaining compensation from a limited liability company by reason only of the person holding or having held an LLC interest in the company or any right to apply for such an interest in the limited liability company or to be included in the company's register of members.
- (2) A sum due from a limited liability company to a person who has acquired or agreed to acquire an LLC interest in the limited liability company being a sum due as compensation for loss suffered by the person in respect of the LLC interest, is to be treated (whether or not the limited liability company is being wound up and whether the sum is due under Regulation 15 or otherwise) as a sum due to the person otherwise than in the person's role as a member.

18 Criminal liability in relation to prospectuses

- (1) A person who fails to comply with any provision of this Part and, where that person is a body corporate, every officer of the body corporate which is in default, commits an offence.
- (2) If a prospectus is circulated with a material statement in it which is untrue or misleading or with the omission from it of the statement of a material fact, any person who authorised the circulation of the prospectus commits an offence unless he or she satisfies the court that he or she reasonably believed, when the prospectus was circulated, that the statement was true and not misleading or that the matter omitted was properly omitted.

PART 4

TAKEOVERS

19 Takeover offers

- (1) In this Part, "a takeover offer" means an offer to acquire all the LLC interests, or all the LLC interests of any class, classes or series, in a limited liability company (other than LLC interests which at the date of the offer are already held by the offeror), being an offer on terms which are the same in relation to all the LLC interests to which the offer relates or, where those

- LLC interests include LLC interests of different classes or series, in relation to all the LLC interests of each class or series.
- (2) In paragraph (1) “LLC interests” means LLC interests that have been allotted on the date of the offer.
 - (3) A takeover offer may include among the LLC interests to which it relates all or any LLC interests that are allotted after the date of the offer but before a specified date.
 - (4) In this Regulation “specified date” means a date specified in or determined in accordance with the terms of the offer.
 - (5) An offer is not prevented from being a takeover offer by reason of not being made to members whose registered address is not in Jersey if –
 - (a) the offer was not made to those members in order not to contravene the law of a country or territory outside Jersey; and
 - (b) either –
 - (i) the offer is published in the Jersey Gazette, or
 - (ii) a document containing the terms of the offer can be inspected, or a copy of it obtained, at a place in Jersey or on a website, and a notice is published in the Jersey Gazette specifying the address of that place or website.
 - (6) Where an offer is made to acquire LLC interests in a limited liability company and there are persons for whom, by reason of the law of a country or territory outside Jersey, it is impossible to accept the offer, or more difficult to do so, that does not prevent the offer from being a takeover offer.
 - (7) It is not to be inferred –
 - (a) that an offer which is not made to every holder of LLC interests, or every holder of LLC interests of any class, classes or series, in the company cannot be a takeover offer unless the requirements of paragraph (5) are met; or
 - (b) that an offer which is impossible, or more difficult, for certain persons to accept cannot be a takeover offer unless the reason for the impossibility or difficulty is the one mentioned in paragraph (6).
 - (8) The terms offered in relation to any LLC interests must for the purposes of this Regulation be treated as being the same in relation to all the LLC interests or, as the case may be, all the LLC interests of a class or series to which the offer relates notwithstanding any variation permitted by paragraph (9).
 - (9) A variation is permitted by this paragraph where –
 - (a) the law of a country or territory outside Jersey precludes the acceptance of an offer in the form or any of the forms specified or precludes it except after compliance by the offeror with conditions with which the offeror is unable to comply or which the offeror regards as unduly onerous; and
 - (b) the variation is such that the persons by whom the acceptance of an offer in that form is precluded are able to accept an offer otherwise than in that form but of substantially equivalent value.

- (10) The reference in paragraph (1) to LLC interests already held by the offeror includes a reference to LLC interests which the offeror has contracted to acquire but that is not to be construed as including LLC interests which are the subject of a contract binding the holder to accept the offer when it is made, being a contract entered into by the holder for nothing other than a promise by the offeror to make the offer.
- (11) Where the terms of an offer make provision for their revision and for acceptances on the previous terms to be treated as acceptances on the revised terms, the revision is not regarded for the purposes of this Part as the making of a fresh offer and references in this Part to the date of the offer must accordingly be construed as references to the date on which the original offer was made.
- (12) In this Part the “offeror” means, subject to Regulation 25, the person making a takeover offer and the “limited liability company” means the limited liability company whose LLC interests are the subject of the offer.

20 Right of offeror to buy out minority LLC interest holders

- (1) In a case in which a takeover offer does not relate to LLC interests of different classes or series, the offeror may give notice, to the holder of any LLC interests to which the offer relates which the offeror has not acquired or contracted to acquire, that he or she desires to acquire those LLC interests if the condition in paragraph (2) is met.
- (2) The condition is that the offeror has by virtue of acceptances of the offer acquired or contracted to not less than 9/10ths in nominal value of the LLC interests to which the offer relates.
- (3) In a case in which a takeover offer relates to LLC interests of different classes or series, the offeror may give notice, to the holder of any LLC interests of that class or series which the offeror has not acquired or contracted to acquire, that he or she desires to acquire those LLC interests if the condition in paragraph (4) is met.
- (4) The condition is that the offeror has by virtue of acceptances of the offer acquired or contracted to not less than 9/10ths in nominal value of the LLC interests of any class or series to which the offer relates.

21 Effect of notice under Regulation 20

- (1) The following provisions, subject to Regulation 24, have effect where a notice is given in respect of any LLC interests under Regulation 20.
- (2) The offeror is entitled and bound to acquire those LLC interests on the terms of the offer.
- (3) Where the terms of an offer are such as to give the holder of any LLC interests a choice of payment for the holder’s LLC interests, the notice must give particulars of the choice and state –
 - (a) that the holder of the LLC interests may within 6 weeks from the date of the notice indicate the holder’s choice by a written communication sent to the offeror at an address specified in the notice; and

- (b) which payment specified in the offer is to be taken as applying in default of the holder indicating a choice as aforesaid.
- (4) Paragraph (3) applies whether or not any time limit or other conditions applicable to the choice under the terms of the offer can still be complied with; and the payment is taken to consist of an amount of cash payable by the offeror which at the date of the notice is equivalent to the chosen payment if the payment chosen by the holder of the LLC interests –
 - (a) is not cash and the offeror is no longer able to make that payment; or
 - (b) was to have been made by a third party who is no longer bound or able to make that payment.
- (5) At the end of 6 weeks from the date of the notice the offeror must forthwith –
 - (a) send a copy of the notice to the limited liability company; and
 - (b) make payment to the limited liability company for the LLC interests to which the notice relates.
- (6) The copy of the notice sent to the company under paragraph (5)(a) must be accompanied by an instrument of transfer executed on behalf of the LLC interest holder by a person appointed by the offeror; and on receipt of that instrument the company must register the offeror as the holder of those LLC interests.
- (7) Where the payment referred to in paragraph (5)(b) is to be made in LLC interests, shares or securities to be allotted or issued by the offeror the reference in that paragraph to the making of payment is construed as a reference to the allotment or issue of the LLC interests, shares or securities to the limited liability company.
- (8) Any sum received by a limited liability company under paragraph (5)(b) and any other payment received under that paragraph must be held by the limited liability company on trust for the person entitled to the LLC interests in respect of which the sum or other payment was received.

- (5) If the Commission requires security under paragraph (3) or (4), the Commission need take no further action in respect of the application until the security has been given.

- (5) Where the merged body is to be a new limited liability company, the Commission may, without prejudice to the generality of paragraph (3), refuse its consent, as if the application was for registration under Part 2 of the Law, on any ground on which the incorporation or registration of that company could be prevented under that Law (whether by the registrar, the Commission or the court).
