

## Proposed 20mph Speed Limit Consultation

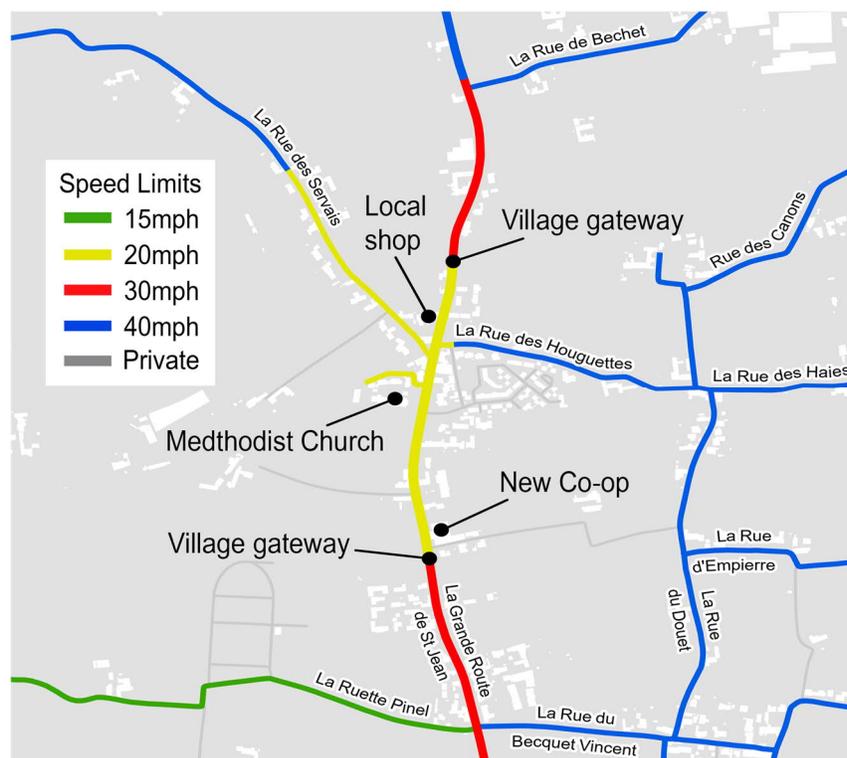

We want Jersey's roads to be enjoyed by everyone

Reducing the speed of traffic helps other road users feel safer and encourages people to walk and cycle. This is especially important for those travelling to and from school.

Increasing the amount we walk & cycle contributes to an uptake in active travel, giving wider health benefits to the people of Jersey.

We propose to reduce the speed limit through Sion Village to 20mph. This is shown on the map below:

## Proposed 20mph Speed Limit Consultation

### Village Gateways

Gateways to the village that could include coloured surfacing, signing, and 20mph road markings will be placed at both ends of the speed limit on La Grande Route de Saint-Jean.

### Have your say!

We would like to hear what you think, so please share any views or ideas that you may have via our questionnaire. The consultation closes on 18<sup>th</sup> June.

### There are three ways to complete the questionnaire:

- Online via [gov.je/consultations](http://gov.je/consultations)
- Pick up a copy at your Parish Hall and drop it back to them
- Pick up a copy at the Co-op in Sion and post it to us at

Government of Jersey  
Operations and Transport  
PO Box 412  
St Helier, JE4 8UY

### What happens next?

Once the consultation closes, we will gather and analyse your responses. We will then report to the three Parishes in Sion and the Minister will make the final decision based on their recommendations.
