

## 2011 Island Plan Interim Review

### Invitation for second round representations

The Minister for Planning and Environment has now published his response to comments received during the consultation period on the **Proposed Revisions to the 2011 Island Plan**. Any member of the public, irrespective of whether they have already submitted any representations on the **Proposed Revisions to the 2011 Island Plan** may submit comments on the Minister's responses to the comments previously received.

The Minister's responses are set out in schedules which are available for viewing at the Department of the Environment, South Hill, St Helier and at the States Assembly Information Centre, Morier House, St Helier.

Any member of the public, irrespective of whether they have already submitted any representations on the **Proposed Revisions to the 2011 Island Plan** may also submit comments, addressing the questions to be considered at the forthcoming Examination in Public on the Proposed Revisions. The topics and questions to be considered are set out in the *Revised List of Topics and Participants* published on 27 November 2013, which is available for viewing at the Department of the Environment, South Hill, St Helier and at the States Assembly Information Centre, Morier House, St Helier. Alternatively the *Revised List of Topics and Participants* can be viewed online at: <http://www.gov.je/Government/PublicInquiries/Pages/2011IslandPlanInterimReview.aspx>

Please note that only comments relating to aspects of the Proposed Revisions will be accepted and not any relating to other, unchanged parts of the Island Plan. All comments made should be **limited to 500 words** and be **submitted by 2.00pm on Friday 13 December** to **Mrs Helen Wilson, EiP Programme Officer, c/o Department of the Environment, South Hill, St Helier, JE2 4US** or by email to [progofficer@aol.com](mailto:progofficer@aol.com)

Further guidance on the submission of second round representations is available from the *Guidance Notes for Participants and Observers* published 27 November 2013, and available from the Planning and Environment Department, South Hill, St Helier and at the States Bookshop, States Greffe, Morier House, St Helier. Alternatively the *Guidance Notes for Participants and Observers* can be viewed online at: <http://www.gov.je/Government/PublicInquiries/Pages/2011IslandPlanInterimReview.aspx>
