A1. The Council, with reference to its Minute No. B2 of 12th February 2014, recalled that it had considered a draft report entitled “Inspiring Confidence in Jersey’s Future” which provided an update on the progress made with regard to the implementation of the Strategic Plan 2012.

It was noted that, subsequently, information had been added to the draft report in line with the Council’s directions, and in consultation with departmental officers, and the document brought up to date so as to provide a comprehensive review of what had been achieved against each of the Key Actions set out in the Strategic Plan 2012.

The Council accordingly approved the updated report, as amended by comments from individual Ministers in respect of “psychoactive drugs”, “health screening services”, the Alcohol and Licensing Strategy” and “Liberty Bus”, and decided to present it to the States in its name.
