Dear Sir/Madam,

I am extremely concerned about the above application.

I feel, in the strongest possible terms, that any development or re-development at Plemont must be stopped now, at all costs.

I would urgently ask you to remind yourselves that 7000 residents stood on the beach in St Ouen's Bay to register their disapproval of any development at the Plemont site, and to voice their wish for it to be reinstated as an undeveloped, Natural Area, for the future benefit of all islanders.

The NT's Coastal Campaign, and all that it entails, is the way forward for Jersey - both present and future generations!

Yours faithfully

Collette Crill
