Planning consultation response

To: Alistair Coates**From:** Simon Surcouf
Land Controls**cc:****Subject:** Plemont Holiday Village, La route du Plemont, St Ouen JE3 2BY **Date:** 19/03/2011**File ref:** LT-1162

Dear Miss

Thank you for the opportunity to comment on the above application.

Field 48 St Ouen measures approximately 2.7 verges and has the following restrictions imposed by the Agricultural Land (Control of Sales and Leases) (Jersey) Law1974.

- (a) that [$\langle \rangle$], shall not, without the consent of the Planning and Environment Minister, be occupied by anyone other than a bona fide inhabitant of the Island specifically approved by the Minister who is wholly or mainly engaged in work of an agricultural nature in Jersey for his own benefit and profit;
- (b) that [$\langle \rangle$] is used for agricultural or horticultural purposes only; this excludes the grazing of equine animals and the growing of trees without the written consent of the Planning and Environment Minister

The land controls and agricultural developments section are opposed to the "passing place" encroaching into field 48.

Yours sincerely

Simon SurcoufLand Controls and Planning Officer
