Your comments:
 I am implacably opposed to any re-development of the Holiday Village at Plémont. It should revert to its undeveloped state; part of our wonderful heritage. With a view to such preservation I, with so many others, stood on the sand at St. Onen's Bay.
 Look at the number of empty units of residential accommodation in the Island. Look at St. Honor for vacant property ripe for conversion to residential use or alternative commercial use.
 DO NOT PERMIT RE-DEVELOPMENT AT PLEMONT!
