

2016 Population Office figures for July to September 2016

Business Licencing figures

The tables below show the number of applications for registered and licensed permissions, and how many were granted or refused by the Population Office.

The main factors taken in to account when deciding whether to grant registered and licensed permissions to a business, are:

- Preserving and maximising the benefits of Jersey's resources
- Promoting a balanced and prosperous economy
- Protecting the integrity and reputation of Jersey in commercial and financial matters
- Relevant policies of the States of Jersey and the public interest

Business Licensing turnaround times: Applications determined from 1st July to 30th September 2016

These figures are being published following recommendations in the [Jersey Innovation Review](#) and will be published on a quarterly basis going forward.

	Applications received	Minimum	Maximum	Average
Staffing permissions (Registered & Licensed)	88	Same day	9 days	2 days
New business applications (includes sole traders, partnerships, companies and incorporated associations)	234	Same day	18 days *	1 day
Overall average for all services (includes non-resident undertakings, license revisions, change of ownership etc)	671	Same day	18 days *	1 day

*Relates to a single business.

HAWAG (Housing and Work Advisory Group) meet every 2 weeks to determine appeals or other applications not decided by Officers (for example substantive applications). The group consists of the Assistant Chief Minister, the Housing Minister, the Assistant Minister for Social Security, and the Assistant Minister for Economic Development.

Appeals (post rejection) are classed differently to applications and timescales are therefore not counted in these figures.
