## **Notification to Dental Department of intention to join the Jersey Dental Fitness Scheme for children entering secondary school**

The Jersey Dental Fitness Scheme helps towards the cost of routine dental treatment for young people between the ages of 11 and 21 in full time education.

The dental department will cover costs for certain treatment, identified at their initial dental appointment, required to make your child dentally fit. If you let us know you will be participating in the scheme, and have fully registered for the scheme by the end of your child's first term at secondary school.
