

Virology

Test	Turnaround time from receipt in Laboratory	Service Provider
16S RNA Bacterial Gene Detection	4 days	Micropathology Ltd+A34A3A3:C29A3:A3:C49
Adenovirus PCR	7 days	UKHSA Birmingham or Micropathology Ltd
Antenatal Serology	6 days	Jersey General Hospital
Arbovirus Tests	7 days	UKHSA Rare and Imported Pathogens Laboratory Porton Down
Antistreptolysin O (ASO) titre	14 days	UKHSA Birmingham
<i>Aspergillus</i> Antibodies (precipitins)	14 days	UKHSA Mycology Reference lab Bristol
<i>Aspergillus</i> Antigen (Galactomannan)	14 days	UKHSA Mycology Reference lab Bristol
Avian Antibodies	14 days	UKHSA Birmingham
Beta Glucan Ag	14 days	UKHSA Mycology Reference lab Bristol
Bordetella pertussis PCR (currently symptomatic patients)	5 days	Micropathology Ltd
Bordetella pertussis serology	14 days	UKHSA Bristol Virology
Borrelia serology (Lyme's disease)	7 days	UKHSA Rare and Imported Pathogens Laboratory Porton Down
Brucella serology	14 days	Brucella Special Diagnostic Unit Liverpool
Campylobacter serology	14 days	Manchester Medical Microbiology Partnership
Carbapenemase R gene assay	1 day	Jersey General Hospital
Cerebrospinal fluid virology PCR	4 days	Micropathology Ltd
Chlamydia and gonorrhoea PCR, male	3 days	Jersey General Hospital
Chlamydia and gonorrhoea PCR, female	3 days	Jersey General Hospital
Chlamydia and gonorrhoea, throat		
Chlamydia and gonorrhoea, rectal		
Chlamydia (respiratory)	14 days	
Coxiella (Q fever) serology	14 days	UKHSA Rare and Imported Pathogens Laboratory Porton Down
CMV /EBV PCR	7 days	Micropathology Ltd
CMV serology	7 days	Jersey General Hospital
Diphtheria Serology	90 days	UKHSA Laboratory Birmingham
Enterovirus PCR	4 days	Micropathology Ltd
EBV serology	7 days	Jersey General Hospital
EBV PCR	7 days	Micropathology Ltd
<i>Haemophilus influenzae</i> immunity	90 days	UKHSA Laboratory
<i>H.pylori</i> Faecal Antigen	7 days	UKHSA Laboratory Birmingham
Hepatitis A immunity check	7 days	Jersey General Hospital
Hepatitis A IgM	7days	Jersey General Hospital
Hepatitis B DNA (viral load)	4 days	Micropathology Ltd
Hepatitis B – post vaccination check	7 days	Jersey General Hospital
Hepatitis B surface antibody	7 days	Jersey General Hospital
Hepatitis B surface antigen	2 days	Jersey General Hospital
Hepatitis B core antibody	7 days	Jersey General Hospital
Hepatitis C antibody	3 days	Jersey General Hospital
Hepatitis C antigen	3 days	Jersey General Hospital
Hepatitis C RNA viral load	7 days	Jersey General Hospital
Hepatitis D serology and PCR	15 days	UKHSA Colindale
Hepatitis E IgG and IgM	7 days	UKHSA Laboratory Birmingham
Histoplasma serology	10 days	UKHSA Mycology reference Laboratory, Bristol
HIV	3 days	Jersey General Hospital
HIV viral load	3 days	Jersey General Hospital
Hospital tropical disease report	7 days	Hospital for Tropical Diseases
Schistosomiasis, Filarial – tropical disease, Leishmania, Amoebic IFAT		
HTLV I and II Ab	5 days	Jersey General Hospital
Hydatid Serology	14 days	Hospital for Tropical Diseases
Influenza A and B and respiratory syncytial virus (RSV) and SARS-CoV-2	1 day	Jersey General Hospital
<i>Legionella</i> and <i>S.pneumoniae</i> Ag	4 hours	Jersey General Hospital
Leishmania serology	7 days	Hospital for Tropical Diseases
<i>Leptospira</i> serology	7 days	Rare and Imported Pathogens Laboratory Porton Down
Measles IgG - Immunity screen	14 days	Jersey General Hospital
Measles PCR (suspected current infection only)	4 days	Micropathology Ltd
Meningococcal PCR	4 days	Micropathology Ltd
Methicillin-resistant <i>Staphylococcus aureus</i> (MRSA) PCR	4 hours	Jersey General Hospital
Mumps immunity screen	14 days	Jersey General Hospital
Mumps virus PCR (suspected current infection only)	4 days	Jersey General Hospital
Mycoplasma genitalium PCR	4 days	Micropathology Ltd
Norovirus PCR	4 hours	Jersey General Hospital
Parvovirus serology	10 days	UKHSA Laboratory Birmingham
Parvovirus PCR	4 days	Micropathology Ltd
Rabies Antibody serology	14 days	Plant, Animal and Health Agency
Rickettsia serology	7 days	Rare and Imported Pathogens Laboratory Porton Down
Rotavirus	7 days	UKHSA Laboratory Birmingham
Rubella IgG immunity screen	30 days	Jersey General Hospital
Rubella IgM serology	10 days	UKHSA Laboratory Birmingham
Rubella PCR (suspected current infection)	4 days	Micropathology Ltd
Schistosoma Serology	7 days	Hospital for Tropical Diseases
Strongyloides serology	7 days	Hospital for Tropical Diseases
Syphilis serology	3 days	Jersey General Hospital
Syphilis confirmation	10 days	UKHSA Laboratory Bristol
Syphilis Venereal Disease Research Laboratory (VDRL) test	10 days	UKHSA Laboratory Birmingham
Tetanus immunity	90 days	UKHSA Laboratory Birmingham
<i>Toxocara</i> serology	14 days	Hospital for Tropical Diseases
<i>Toxoplasma gondii</i> serology IgG	7 days	Jersey General Hospital
VZV IgG immunity	7 days	Jersey General Hospital
VZV PCR	4 days	Micropathology Ltd
