  2. The Board is non-statutory (i.e., with no legal powers) with responsibility for assuring the Minister as to the quality, safety, performance and development of the Department’s services and associated risks.
  3. The Board will work across the Government of Jersey’s (“GoJ”) Health and Community Services Department (“the Department”). This includes all hospital, mental health, community, and social work services delivered by the Department or commissioned by the Department, whether or not in Jersey.   4. The Board shall work in a co-operative and constructive manner with the Minister, the Department and other Ministers and Departments. It will collaborate with all relevant partners in order to solve problems and ensure the provision of safe, effective, accessible, compassionate, and well governed patient centred care which meets the needs of Islanders. This includes other service providers, services users, and carers.
  5. The Board is authorised to seek information it requires, in connection with its functions, from the following persons. These people must co-operate with any such request unless doing so conflicts with any other legal obligation or there are no appropriate data sharing arrangements in place:

In providing information the Board must consider confidentiality and data protection requirements.
  7. Decision-making in respect of all public functions shall be reserved to the Minister, an Assistant Minister or an Officer in accordance with the [States of Jersey Law 2005](#).

9. A duly convened meeting of the Board at which a quorum is present shall be competent to exercise all or any of the responsibilities and tasks assigned to the Board by these Terms of reference.
10. These terms of reference are valid for a maximum 18-month period. At the end of that period the Minister must determine, with the agreement of the Assembly, whether the Board should:
  - a. continue to operate under these terms of reference, or amended terms of reference; or
  - b. be disbanded.
11. Prior to the end of the 18-month period:
  - a. the Board must be disbanded if a statutory board is established by the Assembly, or may be disbanded for any reason that the Minister deems relevant, with the agreement of the States Assembly; and
  - b. the Minister may amend these terms of reference whether or not on the recommendation of the Board, with any substantive changes being agreed by the Assembly.
12. Amendments to the terms of reference could include providing for the Board to work across other health and community services whether or not in Jersey if the Assembly were so minded.

In making such proposals, the Board must have regard to the Public Finances Manual and the duties of the Accountable Officer.

28. In delivering its tasks, the Board must establish an audit committee which reports to the Board and provides assurance as to financial reporting, internal control, and risk management within the Department. The audit committee must be chaired by a non-executive director who has a background in finance. That non-executive director cannot simultaneously hold the role of senior independent director. In establishing the audit committee, the Board must have regard to the terms of reference for the GoJ Risk and Audit Committee.
29. The Board may also establish any other advisory groups and assurance committees as required for the purposes of preparing advice, seeking assurance, or making decisions in respect of items of business that the Board would otherwise undertake.
30. The Board may delegate its tasks, as appropriate, to an advisory group or committee it establishes, providing it does so in accordance with the approved terms of reference for that advisory group or committee.
31. The Board must develop terms of reference for all these advisory groups and committees for approval by the Minister prior to establishment. The terms of reference will set out the tasks to be delegated to the advisory group or committee and the associated reporting requirements (i.e., the recommendations, decisions or findings which must be reported to the Board, and whether they are reported for approval, for information or for presentation to the Minister).

38. The Minister may increase or decrease the number of Board members (or appoint different departmental post holders as executive Board members) at the request of the Chair - and having consulted the Council of Ministers - if satisfied that there are grounds to do so. The Minister must, however, ensure that the number of non-executive directors, including the Chair, is always at least one more than the number of executive directors. 57. Only members of the Board have the right to attend Board meetings, but the Board may invite other persons, including other executive directors, and/or external advisers to attend all or part of any meeting, as and when appropriate.
58. Other attendees may be invited to attend on a regular or meeting by meeting basis.
59. Any member or attendee may participate in Board meetings by secure telephone or video conference, provided that all members are able to contribute to discussions and decisions. Participation in a meeting via electronic means shall constitute presence in person at this meeting.
60. The public may attend and observe all Board meetings except for matters which the Chair determines should be considered in private, for example, to prevent harm, protect the interest of individuals or consider commercially sensitive information. The public may not ask questions during a Board meeting but, once the meeting has ended, they may ask questions with the permission of the Chair. The Board must make arrangements to ensure that all people, including children and young people, are supported to ask questions at the end of Board meetings.
61. In the unlikely event that neither the Chair nor Deputy Chair can be present, the non-executive directors who are present will determine which non-executive director will act as Chair for the duration of the meeting (“Acting Chair”). An executive director cannot act as Chair.

### Quorum

62. No business shall be transacted at a meeting unless:
- a. three non-executive directors (which may include the Chair) and two executive directors are present; and
  - b. there is a least one more non-executive director (which may include the Chair) than executive director.
63. The exception to the above being where the Chair determines that the circumstances of a matter are such that non-executive directors should meet without executive directors, in which case:

  - b. the Chair must notify the Minister of the circumstances before the Chair calls the meeting.
64. If any member, including the Chair, is disqualified from participating in a meeting due to a conflict of interest they shall not count towards the quorum.

**Voting**

65. The members of the Board have a collective responsibility for the operation of the Board. They will participate in discussion, review evidence, and provide objective input to the best of their knowledge and ability, and endeavor to reach consensus.
66. On the rare occasions that consensus is not reached, the Chair may determine that a matter should be voted on. Each member of the Board shall have one vote and decisions shall be reached by a simple majority of members present. Where there is an equality of votes, the person chairing the meeting (whether the Chair, Deputy Chair or Acting Chair) has a second and deciding vote provided they are not conflicted.

**Reporting**

67. The Minister may require the Board to report on such matters and at such intervals as determined, where those matters are within the remit of the Board.
68. The Board shall make recommendations to the Minister on any area within its remit where it considers action or improvement is needed.

**Administration**

69. Administrative support shall be provided by a Board Secretary.
70. A schedule of meetings of the Board shall be drawn up for each financial year and circulated to the Board. A copy of the schedule of meetings shall be made available to the Minister and will be published.
71. The agenda for the Board shall be determined collectively by the Board, in addition to any item which the Minister has requested the Board to consider.
72. Members of the Board who wish to put forward an agenda item shall write to the Chair with details of the proposed item and any supporting documents not less than fourteen days before the next scheduled meeting. In the event that the Chair is not willing to include the proposed item on the agenda of a meeting, any member will be entitled to have a notice of motion included on the agenda of the next Board meeting, for the purposes of determining if the proposed item should be substantively discussed at the following Board meeting.
73. The agenda shall be published once approved by the Chair, except for the agenda items the Board will need to consider in private.

74. Minutes shall be taken of Board meetings. The minutes shall be prepared within 10 business days of the meeting and submitted to the person who chaired the meeting for approval. The minutes must formally record who chaired the meeting.
75. Once the person chairing the meeting has approved the minutes and agreed them as a true record of the meeting, they will be circulated to the members and the Minister. Any corrections required to the minutes will be tabled at the next meeting.
76. The minutes, and supporting Board papers, will be published except for those items which the Board has considered in private.
77. Conflicts of interest will be recorded in the minutes. All board members must declare, at the beginning of each meeting, any personal or business interest which may influence, or may be perceived to influence, their judgement. The Chair will determine if that interest is such that the member must be recused (or the Deputy Chair if the Chair declares an interest). The Board must develop policies and procedures related to the management of conflicts of interest. These must accord with the provisions of these Terms of Reference, must be approved by the Minister, and must be published.
78. Minutes and board papers shall usually be made available to members of the Board and the Minister not less than 7 days in advance of each meeting.

#### **Data, information, and confidentiality**

79. As a non-statutory Board, the Board will not be separately registered as a “Controller” under the Data Protection (Jersey) Law 2018 but, as the Board of the Department which is a registered “Controller”, the Board and all members of the Board will operate within the requirements of that Law.
80. The Board will similarly operate within the provision of Freedom of Information (Jersey) Law 2011 as a Board of the Department.
81. It is a duty of the Board, and all Board members, to protect confidential information about people (service users and staff) and to ensure that policies, procedures and systems are put in place to ensure that confidential information is only shared with the Board, or by the Board, when it necessary to ensure safe or effective care or protect against harm.

#### **General matters**

82. The Board shall arrange for periodic reviews of its performance and, at least once a year, review these Terms of Reference, including its membership, to ensure it is operating effectively and in a manner which supports staff to do their best work for Islanders.
83. The Board represents a new way of working for the Department. The Minister and Board members must, therefore, be alive to the potential need to flex and refine the Board’s working practice and the terms of reference. In doing so, however, the Board will ensure adherence to best practice in governance.

84. Prior to undertaking its annual review, the Board must, in writing, set out a proposed process for the review, including parties whose views will be sought, for approval by the Minister.
85. Having undertaken any review (whether an annual or an interim review) the Board will provide a report to the Minister on its findings. The Board may recommend to the Minister any changes it considers necessary to improve Board performance or efficiency. In the event the Minister wishes to make any substantive changes to the Board's Terms of Reference, the Minister must propose those changes to the Assembly. The Board must prepare an annual report setting out its accountabilities and related activities. The Minister will publish this report in full as part of, or alongside, the Annual Report and Accounts of the States of Jersey. The Board is not required to produce annual separate accounts as the Department's accounts are included in the accounts of the States of Jersey.
86. The Minister must make an annual assessment of the resources required for the Board to operate. With the agreement of the Council of Ministers, the Minister must then ensure those resources are set out in the Government Plan. The Minister must consult the Board before making any such assessment and must set out for the Council of Ministers and the Assembly the Board's response to that consultation.
87. The Board Secretary will be employed by GoJ (and will be subject to the terms and conditions and policies that apply to all government employees) but will work for the Board and shall be treated as if they are an employee of the Board, taking direction from the Chair.

97. The Chair and non-executive Board members may only be removed or suspended by the Minister.
98. When removing the Chair or a non-executive Board member, the Minister must have clear and cogent reasons to do so. These would typically be limited to the Chair or non-executive Board member:

99. The Minister shall only suspend the Chair or a non-executive Board member if the Minister believes there may be grounds for removal and needs to investigate the matter.
100. Prior to removing or suspending the Chair, the Minister must consult the Senior Independent Director. Prior to removing or suspending a non-executive Director, the Minister must consult the Chair. The Minister must then put the grounds for removal or suspension to the Chair or non-executive director, providing them with a right to reply. The exception being in cases of gross misconduct where the Minister may remove or suspend with immediate effect.
101. The Minister may nominate an Acting Chair if the Chair is incapacitated, suspended, resigns, or their term of office or contract ends, and no replacement has been appointed, or is unable to perform their duties for any reason. The Minister may appoint another non-executive Board member or someone other than another non-executive Board member as Acting Chair.
