

THE NEW ANN STREET YOUTH CENTRE

A new Youth Centre is coming to Town!

Shaped by the voices of young people for young people.

Shaping the future together

The voices of young people have already helped get us to where we are today and we're not done yet. The next step is for us to recruit some Youth Ambassadors to help with the next phase of design.

Why Town?

More than 1,600 children and young people live within walking distance, and with 71% of St Helier residents living in flats, this new centre will offer a safe indoor and outdoor space to play, connect, grow and feel supported.

What's inside?

- Rooftop Kick Pitch
- Large Climbing Wall
- Dance Studio
- Sports Hall
- Boxing Gym
- Health & Beauty Room
- Sensory Room

Plus much more!

Be part of it

Follow updates, get involved, and share your ideas.
