REVIEW OF SOCIAL HOUSING IN JERSEY

Date 19th October 2009

To seek views on the issues raised and options presented in the 'Review of Social Housing in Jersey' report prepared by Professor Christine Whitehead, Cambridge Centre for Housing & Planning Research

Closing date 11th February 2010

Summary

When the States agreed the States Strategic Plan 2006-2011, it tasked the Housing Department with reviewing, developing and implementing strategies for the provision of social housing in the Island, including the long-term management of States rental accommodation.

Following the development of detailed Terms of Reference in conjunction with the Health, Social Security and Housing Scrutiny Panel, Professor Christine Whitehead from the University of Cambridge - Cambridge Centre for Housing & Planning Research (CCHPR) was engaged to undertake the review.

Professor Whitehead has produced a report setting out the options for change in the manner in which social housing in Jersey is provided and regulated.

The Minister for Housing is seeking comments on the options presented by Professor Whitehead to assist him in the development of specific proposals which will ultimately be debated in the States.
