

Animal Health (Bird Diseases) (Jersey) Order 2017

Application for Importation of Poultry to Jersey (From the UK, IOM and CI's)

A person importing poultry or any eggs intended for hatching under the Animal Health (Bird Diseases) (Jersey) Order 2017, article 3 must be in possession of a licence granted by the Minister or a person appointed by the Minister to import into Jersey.

You are advised to check with your supplier that they are not under any restriction by the competent authority for any diseases.

An officer may, refuse an application and by notice in writing, vary, revoke or suspend any import licence issued.

Please allow at least 5 working days for processing.

Please complete in BLOCK LETTERS.
Incomplete or illegible answers could mean that the issue of your licence may be delayed.

Please read conditions prior to the completion of the form

Conditions of the import

The Importer shall comply with the following conditions and any others included in any licence issued to import:

1. The animal health and welfare section of the department must be notified in writing, of the exact date and time of import* at least 24 hours prior to arrival. The notification form should be emailed to Pets@gov.ie If the arrival time changes after notification the duty officer can be contacted out of office hours on 01534 441617.
2. In accordance with Council Directive 2005/94/EC if disease has been confirmed no poultry can be imported from a Protection Zone (PZ) of 3 km and Surveillance Zone (SZ) of 10 km.
3. After importation, the birds must be kept at the destination declared in the notification sent to the department and custody of the bird(s) must not be transferred within 21 Days after importation.
4. Except when prior written approval has been given by the States Veterinary Officer no movements of any live poultry off the premises is permitted during the 21 days after importation.
5. All expenses incurred with this importation must be met by the importer.
6. If for any reason this licence is not used within the 1 month from the date of issue, it should be returned to the Department

* a notification form is available from the department or on our website at www.gov.ie/Poultry

Important information:

Before signing this form please read the following consent information carefully. It explains how your information will be used and provides a brief description of your rights under Jersey's Data Protection Law. For further information on how the Department of the Environment handles personal data please visit www.gov.je/howweuseyourinfo

Your consent:

I confirm and agree:

- That this application is made with my authority and the information supplied in this form is accurate to the best of my knowledge; I am aware that it's an offence to knowingly submit false or misleading information with an application.
- To the information supplied in this form, together with any other accompanying information to be used for the purpose(s) of processing my application for a licence application to import poultry to Jersey from the UK, IOM and other CI's in accordance with the Animal Health (Bird Diseases) (Jersey) Order 2017.
- That information provided in this form, together with any other accompanying information may be disclosed to the organisations listed below, where it is necessary. For example, to carry out compliance checks and investigations concerning breaches or potential breaches of law, for enforcement purposes and for providing statistical reports.
 - The approved ferry or air carrier transporting the poultry to Jersey
 - Customs and Immigration Service
 - Other enforcement authorities in the Isle of Man, Bailiwick of Guernsey and the United Kingdom when necessary.
- The information provided may also be used for disease control purposes to control and/or eradicate in the case of a notifiable disease outbreak in Jersey.
- I understand that you will not use my personal information for any other purpose, without my permission, unless you are legally required to do so.
- I understand that under Jersey's Data Protection Law I have the right to withdraw my consent to the further processing of my information. However, I understand that this may cause delays in administering my application, affect the successful import of my animals or cause me to be in breach of other legal requirements. (Should you wish to exercise this right please contact us on tel. 441600)
