What you said...

QUALITY
CONNECTIVITY

Engage community

Links between ^{town} ~~town~~ spaces

Child Friendly town

Using Street Space

ACCESS TO OPEN SPACE

EG - GAS PLACE

OPEN/AMENITY

Listening to residents

Greater openness, Vitality
Relaxed attitudes FUN

ON to
OPEN SPACES

Appropriate venues
utilising open spaces

Connect spaces + roads
with imagination + empathy

Efficient use of spaces in multiple

Green Roofs - Gardens on flat Roofs.

Green, distinctive
Aspirational, transient,
Child friendly, Safe,
Connected & connective spaces

Green Space - Reducing / neglected / Not planned for.
GREEN corridors Where is the plan!?

Keep of Greens / Neglect
Community gardens

Data collection
Public realm improvements

More pedestrianisation
Rates (Cost)

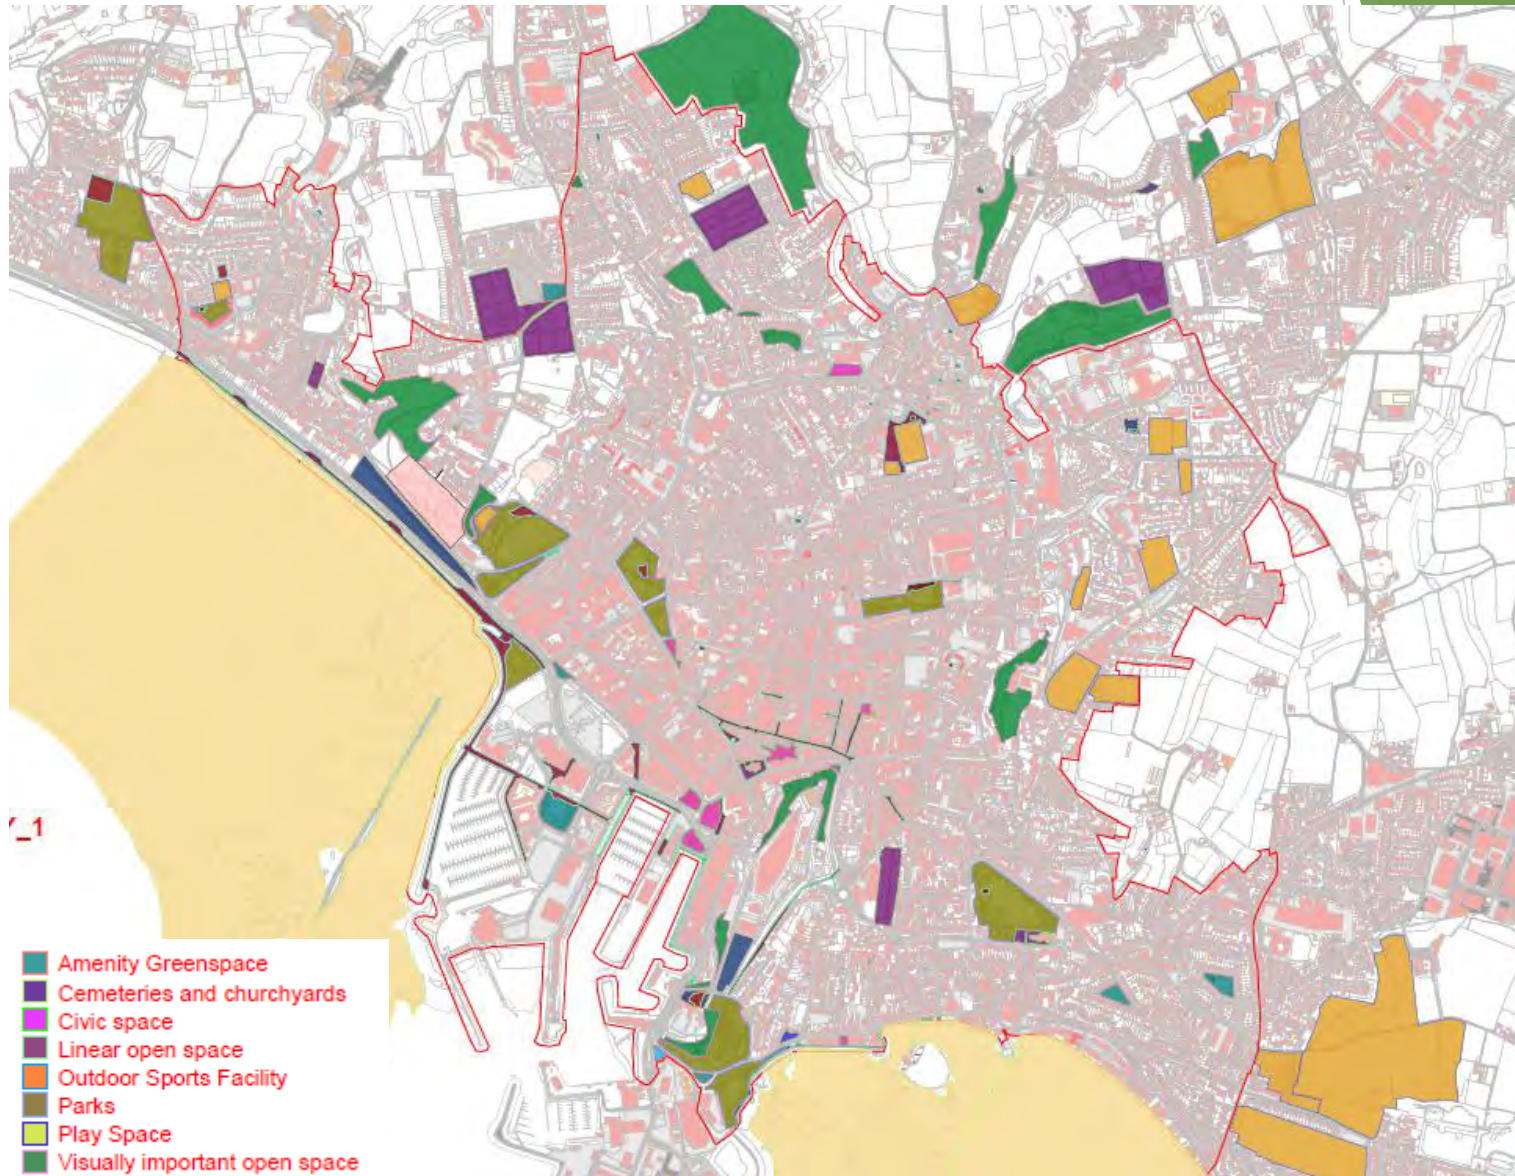

Importance of Green Space

PARKS / OPEN SPACES - EDGES

Open Space / Key component
formulation for St. Helier
Park lost opportunity to
explore key amenity space in town

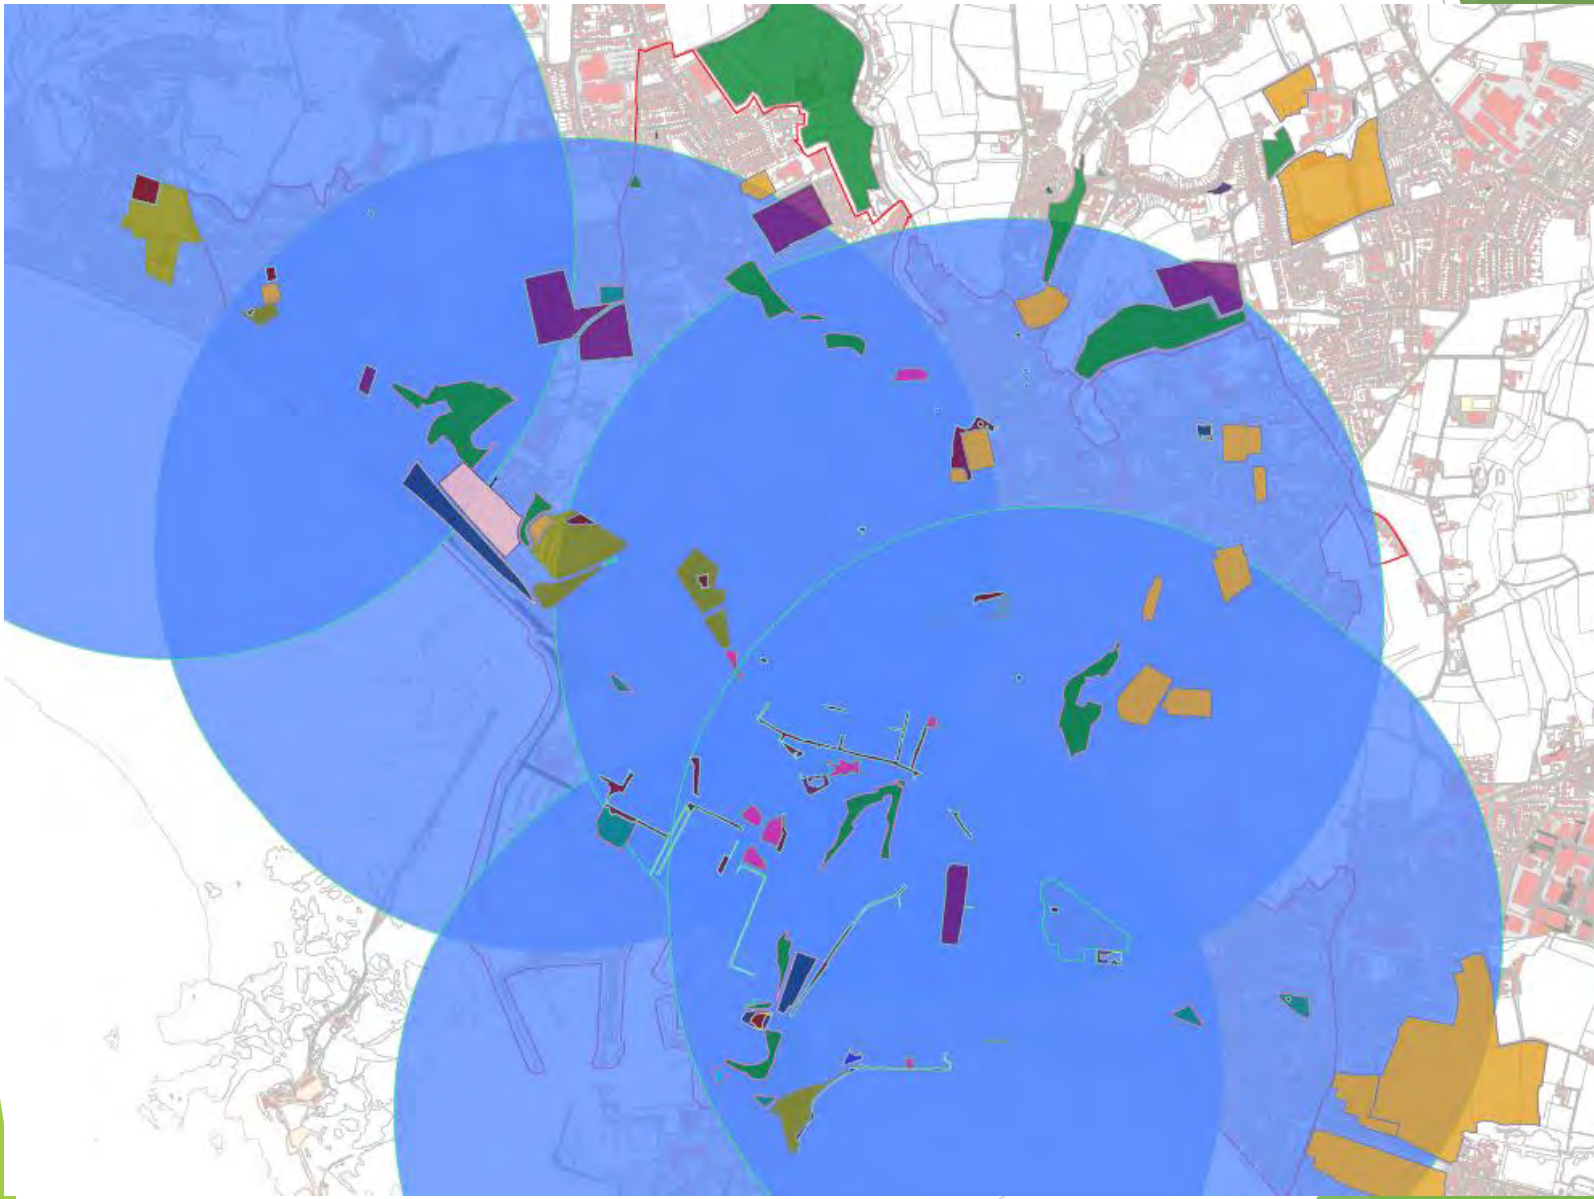

St Helier's spaces

What we know - accessible open space

St Helier's spaces

10mins walk to nearest park

St Helier's spaces

5mins walk to nearest park

St Helier's spaces Standards...

16.9ha of parks / 36,300 Population
= 5 Sq.m per person

Fields trust benchmark standard for open
space
= 8sq.m per person

Do we really fall short by 66%....?

Havre des Pas and St Aubin's Bay = 54.3ha

St Helier's spaces

How are we going to plan for the future?

Do we have enough spaces for people to enjoy?

How can we make all spaces more accessible and enjoyable, for all?

How can we make our spaces better connected, and the journey between them more enjoyable?

How do we make sure we protect and enhance our distinctive character and heritage?

What are our priorities?

St Helier's spaces

Delivering change for the future
