

Jersey Household Interview Survey 2008

Weighting of Results

Each individual response to the survey is to be weighted according to the housing tenure of the respondent, as indicated in the answer to Q24, as follows:

Tenure	Weight
Owner occupied	0.74555
Private rent (qualified)	1.35096
Private rent (non-qualified)	1.14802
States.parish rent	2.90525
Housing trust rent	2.90525
Lodger paying rent in private household	1.14802
Sheltered/disabled	1.35096
Registered lodging house	1.14802
Staff/service	1.14802
Old peoples' retirement home	1.35096
All other respondents	1

The weighted responses are then to be used for the purposes of calculating percentages.
