

WATER QUALITY & STRATEGY TEAM: MEETING MINUTES

05th June 2025

COMMUNICATIONS & DETAILED RESPONSE

Discussion:

- Team discussed the communications timing and wording of the Detailed Response ahead of the June 18th public meeting

Action:

- Confirm schedule for Ministerial and media communications

INTERNAL ALIGNMENT & COORDINATION

Discussion:

- Closer coordination between Health and Environment teams on stakeholder engagement
- Proposed establishing a short fortnightly alignment meeting between Programme Team sessions

Action:

- Initiate 30-minute cross-team check-in every two weeks to support joint delivery.

TESTING PROTOCOL DOCUMENT

Discussion:

- Draft testing protocol for presentation to the Board on June 18
- Publish a clear, panel-endorsed approach explaining the scope, methodology and how the data will be used

Action:

- Finalise and present draft protocol for Board approval on June 18

Meeting Adjourned.

Next Meeting: 9th July 2025
